(v) if such Loan is not a MERS Mortgage Loan, if applicable, the original Intervening Assignments, if any, with evidence of recording thereon, showing a complete chain of title to the related Mortgage from the Mortgagor to the related Originator (and endorsed in blank in accordance with clause (ii) above) or, if any such original Intervening Assignment has not been returned from the applicable recording office or has been lost, a true and correct copy thereof, together with (i) in the case of a delay caused by the public recording office, an Officer's Certificate of the Depositor stating that such original Intervening Assignment has been dispatched to the appropriate public recording official for recordation or (ii) in the case of an original Intervening Assignment that has been lost, a certificate by the appropriate county recording office where such Mortgage is recorded;

- (vii) the original of any guaranty executed in connection with such Loan;
- (viii) the original of each assumption, modification, consolidation or substitution agreement, if any, relating to such Loan; and
- (ix) any security agreement, chattel mortgage or equivalent instrument executed in connection with the related Mortgage.

The parties hereto acknowledge and agree that the form of endorsement attached hereto as Exhibit A-4 is intended to effect the transfer to the Indenture Trustee as pledgee of the Issuer, for the benefit of the Noteholders and the Insurers, of the Mortgage Note and the Mortgages.

(e) (i) Upon the occurrence of a Recordation Event, the Indenture Trustee shall cause the Custodian within 90 days of such Recordation Event to submit, at the expense of the Seller, to the appropriate recording offices Assignments of Mortgage to the Indenture Trustee on behalf of the Trust, which may be blanket assignments if permitted by applicable law, for the Loans. In lieu of recording any such Assignments of Mortgage, the Servicer may cause the Custodian to provide to the Indenture Trustee and the Insurers an Opinion of Counsel in a form reasonably acceptable to the Owner Trustee, Indenture Trustee and the Insurers to the effect that recordation of an Assignment of Mortgage in the state where the related Mortgaged Property is located is not necessary to protect the interests of the Owner Trustee, the Indenture Trustee or the Securityholders in the related Mortgage. In the event that a ny such Assignment of Mortgage is lost or returned unrecorded because of a defect therein, the Indenture Trustee shall cause the Custodian to promptly prepare, at the expense of the Seller, a substitute Assignment of Mortgage or cure such defect, as the case may be, and thereafter the Indenture Trustee shall cause the Custodian, at the expense of the Seller, to submit each such Assignment of Mortgage for recording.

(x) With respect to each MERS Mortgage Loan, the Servicer shall, at the expense of the Depositor, take such actions as are necessary to cause the Indenture Trustee to be clearly identified as the owner of each such Loan on the records of MERS for purposes of the system of recording transfers of beneficial ownership of mortgages maintained by MERS.

(f) In instances where a Title Insurance Policy is required to be delivered to the Indenture Trustee or the Custodian on behalf of the Indenture Trustee under clause (d)(v) above and is not so delivered, the Depositor will provide a copy of such Title Insurance Policy to the Indenture Trustee, or to the Custodian on behalf of the Indenture Trustee, as promptly as practicable after the execution and delivery hereof, but in any case within 180 days of the Closing Date.

(g) For Loans (if any) that have been prepaid in full after the Cut-off Date and prior to the Closing Date, the Depositor, in lieu of delivering the above documents, herewith shall deliver to the Indenture Trustee, or to the Custodian on behalf of the Indenture Trustee, an Officer's Certificate which shall include a statement to the effect that all amounts received in connection with such prepayment that are required to be deposited in the Collection Account pursuant to Section 4.07(d) have been so deposited. All original documents that are not delivered to the Indenture Trustee or the Custodian on behalf of the Indenture Trustee shall be held by the Servicer in trust for the benefit of the Indenture Trustee, the Securityholders and the Insurers.

(h) With respect to each Loan that has a zero balance on the 80th day after the Closing Date, the Servicer shall notify the Seller and if each such Loan shall continue to have a zero balance on the 89th day after the Closing Date, the Seller will repurchase each such Loan on such 89th day.

Section 2.02 Acceptance of Trust Estate; Review of Documentation.

(a) Subject to the provisions of Section 2.01, the Issuer acknowledges receipt of the assets transferred by the Depositor included in the Trust Estate and has directed that the documents referred to in Section 2.01 and all other assets included in the definition of "Trust Estate" be delivered to the Indenture Trustee (or the Custodian) on its behalf.

The Indenture Trustee, by execution and delivery hereof, acknowledges receipt by it of each Policy and by it or the Custodian on its behalf of the Mortgage Files pertaining to the Loans listed on the Mortgage Loan Schedule, subject to review thereof by the Indenture Trustee, or by the Custodian on behalf of the Indenture Trustee, under this Section 2.02. The Indenture Trustee, or the Custodian on behalf of the Indenture Trustee, will execute and deliver to the Depositor, the Servicer, the Insurers and the Indenture Trustee on the Closing Date an Initial Certification in the form annexed hereto as Exhibit A-1 (or in the form annexed to the applicable Custodial Agreement as Exhibit B-1, as applicable).

(b) Within 45 days after the Closing Date, the Indenture Trustee or the Custodian on behalf of the Indenture Trustee, will, for the benefit of Noteholders and the Insurers, review each Mortgage File to ascertain that all required documents set forth in Section 2.01 have been received and appear on their face to contain the requisite signatures by or on behalf of the respective parties thereto, and shall deliver to the Depositor, the Servicer, the Insurers and the Indenture Trustee an Interim Certification in the form annexed hereto as Exhibit A-2 (or in the form annexed to the applicable Custodial Agreement as Exhibit B-2, as applicable) to the effect that, as to each Loan listed in the Mortgage Loan Schedule (other than any Loan prepaid in full or any specifically identified in such certification as not covered by such certification), (i) all of the applicable documents specified in Section 2.01(d) are in its possession and (ii) such documents have been reviewed by it and appear to relate to such Loan. The Indenture Trustee, or the Custodian on behalf of the Indenture Trustee, shall determine whether such documents are executed and endorsed, but shall be under no duty or obligation to inspect, review or examine any such documents, instruments, certificates or other papers to determine that the same are valid, binding, legally effective, properly endorsed, genuine, enforceable or appropriate for the represented purpose or that they have actually been recorded or are in recordable form or that they are other than what they purport to be on their face. Neither the Indenture Trustee nor any Custodian shall have any responsibility for verifying the genuineness or the legal effectiveness of or authority for any signatures of or on behalf of any party or endorser.

(c) If in the course of the review described in paragraph (b) above the Indenture Trustee or the Custodian discovers any document or documents constituting a part of a Mortgage File that is missing, does not appear regular on its face (i.e., is mutilated, damaged, defaced, torn or otherwise physically altered) or appears to be unrelated to the Loans identified in the Mortgage Loan Schedule, as applicable (each, a "Material Defect"), the Indenture Trustee, or the Custodian on behalf of the Indenture Trustee, upon discovering such Material Defect shall promptly identify the Loan to which such Material Defect relates in the Interim Certification delivered to each of the Depositor and the Servicer and give notice thereof to the applicable Transferor or the Seller, as applicable. Within 180 days of its receipt of such notice, the Transferor, or if the Transferor does not do so, the Sell er, shall be required to cure such Material Defect (and, in such event, the Seller shall provide the Indenture Trustee with an Officer's Certificate confirming that such cure has been effected). If the applicable Transferor or the Seller, as applicable, does not so cure such Material Defect, the Transferor, or if the Transferor does not do so, the Seller, shall repurchase the related Loan from the Trust Estate at the Loan Purchase Price. The applicable Transferor or the Seller, as applicable, may, in lieu of repurchasing a Loan pursuant to this Section 2.02, substitute for such Loan a Qualifying Substitute Mortgage Loan subject to the provisions of Section 3.04. The failure of the Indenture Trustee or the Custodian to give the notice contemplated herein within 45 days after the Closing Date shall not affect or relieve the applicable Transferor or the Seller, as applicable, of its obligation to repurchase any Loan pursuant to this Section

(d) Within 180 days following the Closing Date, the Indenture Trustee, or the Custodian, shall deliver to the Depositor, the Servicer, the Insurers and the Indenture Trustee a Final Certification substantially in the form attached as Exhibit A-3 (or in the form annexed to the applicable Custodial Agreement as Exhibit A-3, as applicable) evidencing the completeness of the Mortgage Files in its possession or control, with any exceptions noted thereto.

(e) Nothing in this Agreement shall be construed to constitute an assumption by the Trust Estate, the Indenture Trustee, the Administrator, any Custodian or the Noteholders of any unsatisfied duty, claim or other liability on any Loan or to any Mortgage.

(f) Notwithstanding anything to the contrary contained herein, each of the parties hereto acknowledges that the Custodian shall perform the applicable review of the Loans and respective certifications thereof as provided in this Section 2.02 and the Custodial Agreement.

(g) Upon execution of this Agreement, the Depositor hereby delivers to the Indenture Trustee and the Indenture Trustee acknowledges receipt of the Mortgage Loan Sale Agreement, and each Transfer Agreement.

Section 2.03 Grant Clause.

(i) It is intended that the conveyance by the Depositor to the Issuer of the Loans, as provided for in Section 2.01 be construed as a sale by the Depositor to the Issuer of the Loans and other assets in the Trust Estate for the benefit of the Certificateholders, the Indenture Trustee on behalf of the Noteholders and the Insurers. Further, it is not intended that any such conveyance be deemed to be a pledge of the Loans by the Depositor to the Issuer to secure a debt or other obligation of the Depositor. However, in the event that the Loans are held to be property of the Depositor or if for any reason this Agreement is held or deemed to create a security interest in the Loans and other assets in the Trust Estate, then it is intended that (a) this Agreement shall also be deemed to be a security agreement within the meaning of Articles 8 and 9 of the New York UCC (or other applicable UCC if not the New York UCC); (b) the conveyances provided for in Section 2.01 shall be deemed to be (1) a grant by the Depositor to the Issuer of a security interest in all of the Depositor's right (including the power to convey title thereto), title and interest, whether now owned or hereafter acquired, in and to (A) each Loan listed on the Mortgage Loan Schedule, including its Principal Balance (including the right to purchase any Additional Balances related thereto with respect to HELOCs) and all collections in respect thereof received after the Cut-Off Date (excluding Interest Collections due on or prior to the Cut-Off Date), together with the Mortgage Files relating to such Loans; (B) any Insurance Proceeds, property that secured a Loan that is acquired by foreclosure or deed in lieu of foreclosure, Liquidation Proceeds and other recoveries (in each case, subject to clause (i) above); (C) any Insurance Policies; (D) the Depositor's rights in and to each Policy; (E) the Trust Accounts; (F) any Insurance Policies; (G) any of the Depositor's rights in relation to a Transferor or the Seller with respect to each Transfer Agreement and the Mortgage Loan Sale Agreement, including the representations and warranties of each Transferor with respect to the related Loans in the applicable Transfer Agreement and the representations and warranties of the Seller under the Mortgage Loan Sale Agreement; and (H) all income, revenues, issues, products, revisions, substitutions, replacements, profits, rents and all cash and non-cash proceeds of the foregoing and any other property owned by the Trust and all other assets included or to be included in the Trust Estate for the benefit of Noteholders, the Residual Certificateholders and the Insurers and (2) an assignment by the Depositor to the Issuer of any security interest in any and all of the Depositor's right (including the power to convey title thereto), title and interest, whether now owned or hereafter acquired, in and to the property described in the foregoing clauses (1)(A) through (I); (c) the possession by the Indenture Trustee or any other agent of the Issuer of Mortgage Notes, and such other items of property as constitute instruments, money, negotiable documents or chattel paper shall be deemed to be "possession by the secured party," or possession by a purchaser or a person designated by such secured party, for purposes of perfecting the security interest pursuant to the New York UCC and any other applicable UCC and (d) notifications to persons holding such property, and acknowledgments, receipts or confirmations from persons holding such property, shall be deemed notifications to, or acknowledgments, receipts or confirmations from, financial intermediaries, bailees or agents (as applicable) of the Issuer for the purpose of perfecting such security interest under applicable law.

(ii) The Depositor and, at the Depositor's direction, the Issuer shall, to the extent consistent with this Agreement, take such reasonable actions as may be necessary to ensure that, if this Agreement were deemed to create a security interest in the Loans and the other property of the Trust Estate, such security interest would be deemed to be a perfected security interest of first priority under applicable law and will be maintained as such throughout the term of this Agreement. Without limiting the generality of the foregoing, the Depositor shall prepare and deliver to the Issuer, and the Issuer shall forward for filing, or shall cause to be forwarded for filing, at the expense of the Depositor, all filings necessary to maintain the effectiveness of any original filings necessary under the UCC to perfect the Issuer's security interest in or lien on the Loans as evidenced by an Officer's Certificate of the Depositor, including without limitation (x) continuation statements, and (y) such other statements as may be occasioned by (1) any change of name of the Seller, the Depositor or the Issuer (such preparation and filing shall be at the expense of the Owner Trustee, if occasioned by a change in the Owner Trustee's name), (2) any change of location of the place of business or the chief executive office of the Seller or the Depositor or (3) any transfer of any interest of the Seller or the Depositor in any Loan.

Neither the Depositor nor the Issuer shall organize under the law of any jurisdiction other than the State under which each is organized as of the Closing Date (whether changing its jurisdiction of organization or organizing under an additional jurisdiction) without giving 30 days prior written notice of such action to its immediate and mediate transferee, including the Indenture Trustee and, so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer, the Insurers. Before effecting such change, each of the Depositor or the Issuer proposing to change its jurisdiction of organization shall prepare and file in the appropriate filing office any financing statements or other statements necessary to continue the perfection of the interests of its immediate and mediate transferees, including the Indenture Trustee, in the Loans. In connection with the transactions contemplated by this Agreement and the Indenture, each of the Depositor and the Issuer authorizes its immediate or mediate transferee, including the Indenture Trustee, to file in any filing office any initial financing statements, any amendments to financing statements, any continuation statements, or any other statements or filings described in this Section 2.03(b).

(iii) The Depositor shall not take any action inconsistent with the sale by the Depositor of all of its right, title and interest in and to the Trust Estate and shall indicate or shall cause to be indicated in its records and records held on its behalf that ownership of each Loan and the other property of the Trust is held by the Issuer. In addition, the Depositor shall respond to any inquiries from third parties with respect to ownership of a Loan or any other property of the Trust Estate by stating that it is not the owner of such Loan and that ownership of such Loan or other property of the Trust Estate is held by the Issuer on behalf of the Securityholders and, so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer, the Insurers.

Section 2.04 Further Encumbrance of Trust Estate.

(a) Immediately upon the conveyance to the Issuer by the Depositor of any item of property in the Trust Estate pursuant to Section 2.01, all right, title and interest of the Depositor in and to such item of property in the Trust Estate shall terminate, and all such right, title and interest shall vest in the Issuer, in accordance with the Trust Agreement and Sections 3802 and 3805 of the Delaware Statutory Trust Act (12 Del. Code, § 3801 et seq.).

(b) Immediately upon the vesting of the Trust Estate in the Issuer, the Issuer shall have the sole right to pledge or otherwise encumber such Trust Estate. Pursuant to the Indenture and contemporaneously with such property vesting in the Issuer pursuant to (a) above, the Issuer shall grant a security interest in the Trust Estate to secure the repayment of the Issuer Secured Obligations. The Residual Certificates shall represent the beneficial ownership interest in the Trust Estate, and the Residual Certificateholders shall be entitled to receive distributions with respect thereto as set forth herein and in the Indenture and Trust Agreement.

(c) Prior to the payment in full on the Notes, the payment of all amounts due to each Insurer under each related Insurance Agreement, the termination of each Policy and the surrender of each Policy by the Indenture Trustee to each related Insurer, the Indenture Trustee shall hold the Trust Estate on behalf of the Noteholders and each Insurer. Following the payment in full of the Notes and the payment of all amounts due to each Insurer under each related Insurance Agreement, and the release and discharge of the Indenture, all covenants of the Issuer under Article Three of the Indenture shall, until payment in full of the Residual Certificates, remain as covenants of the Issuer for the benefit of the Residual Certificateholders, enforceable by the Residual Certificateholders to the same extent as such covenants were enforceable by the Insurers and the Noteholders prior to the discharge of the Indenture. Any rights of the Indenture Trustee under the Indenture, following the discharge of the Indenture, shall vest in the Residual Certificateholders.

ARTICLE III

REPRESENTATIONS AND WARRANTIES

Section 3.01 Representations and Warranties of the Depositor.

(a) The Depositor hereby represents and warrants to the Servicer, the Issuer, the Certificateholders and the Indenture Trustee, for the benefit of the Insurers and the Noteholders, as of the Closing Date or such other date as is specified, that:

(i) This Agreement constitutes a legal, valid and binding obligation of the Depositor, enforceable against the Depositor in accordance with its terms, except as enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws now or hereafter in effect affecting the enforcement of creditors' rights in general and except as such enforceability may be limited by general principles of equity (whether considered in a proceeding at law or in equity);

(ii) Immediately prior to the transfer by the Depositor to the Issuer of each Loan, the Depositor had good and equitable title to each Loan (insofar as such title was conveyed to it by the Seller) subject to no prior lien, claim, participation interest, mortgage, security interest, pledge, charge or other encumbrance or other interest of any nature;

(iii) As of the Closing Date, the Depositor has transferred all of its right, title and interest in the Loans to the Issuer;

(iv) The Depositor has not transferred the Loans to the Issuer with any intent to hinder, delay or defraud any of its creditors;

(v) The Depositor has been duly organized and is validly existing as a limited liability company in good standing under the laws of Delaware, with full power and authority to own its assets and conduct its business as presently being conducted;

(vi) The Loans constitute either "promissory notes" or "payment intangibles" within the meaning of the UCC;

(vii) The Depositor has obtained all necessary consents and approvals required to enter into and perform its obligations under, this Agreement, including the sale of the Loans hereunder;

(viii) The Depositor has caused or will cause, within 10 days following the Closing Date, the filing of all appropriate financing statements in the proper filing office in the appropriate jurisdictions under applicable law in order to perfect the security interest in the Loans granted to the Indenture Trustee pursuant to the Indenture;

(ix) Other than the sale of the Loans hereunder and the security interest granted to the Indenture Trustee pursuant to the Indenture, the Depositor has not pledged, assigned, sold, granted a security interest in, or otherwise conveyed any of the Loans. The Depositor has not authorized the filing of and is not aware of any financing statements against the Depositor that include a description of collateral covering the Loans other than any financing statement relating to the security interest granted to the Indenture Trustee pursuant to the Indenture or that has been terminated. The Depositor is not aware of any judgment or tax lien filings against the Depositor; and

(x) All financing statements filed or to be filed in favor of the Indenture Trustee in connection herewith describing the Loans contain a statement to the following effect: "A purchase of or security interest in any collateral described in this financing statement will violate the rights of the Indenture Trustee."

(b) The representations and warranties of each Transferor with respect to the related Loans in the applicable Transfer Agreement, which have been assigned to the Issuer hereunder, were made as of the date specified in the applicable Transfer Agreement (or underlying agreement, if such Transfer Agreement is in the form of an assignment of a prior agreement). The Seller will make such representations and warranties (together with the representations and warranties of the Seller made pursuant to Section 1.04(b)(i) of the Mortgage Loan Sale Agreement) as specified in the Mortgage Loan Sale Agreement as of the Closing Date. To the extent that any fact, condition or event with respect to a Loan constitutes a breach of each of (i) a representation or warranty of the applicable Transferor under the applicable Transfer Agreement, (ii) a representation or warranty of the Seller under the Mortgage Loan Sale Agreement (other than the representations and warranties set forth in Section 1.04(b)(i) of the Mortgage Loan Sale Agreement which shall be deemed to be made solely by the Seller) and (iii) a representation or warranty of the Depositor pursuant to Section 3.01(a)(ii), (a)(iii) or (a)(vii) of this Agreement the only right or remedy of the Servicer, the Issuer, the Indenture Trustee or any Securityholder hereunder shall be their rights to enforce the obligations of the applicable Transferor under any applicable representation or warranty made by it. Each of the Servicer, the Issuer and the Indenture Trustee acknowledges that, except as provided in the parenthetical in the immediately preceding sentence or as otherwise provided in the Mortgage Loan Sale Agreement, the (i) Seller shall not have any obligation or liability with respect to any breach of a representation or warranty made by it with respect to the Loans sold by it if the fact, condition or event constituting such breach also constitutes a breach of a representation or warranty made by the applicable Transferor in the applicable Transfer Agreement, without regard to whether such Transferor fulfills its contractual obligations in respect of such representation or warranty and (ii) Depositor shall not have any obligation or liability with respect to any breach of a representation or warranty pursuant to Section 3.01(a)(ii), (a)(iii) and (a)(vii) of this Agreement if the fact, condition or event constituting such breach also constitutes a breach of a representation or warranty made by the Seller or the applicable Transferor in the Mortgage Loan Sale Agreement or the applicable Transfer Agreement, as applicable, without regard to whether such Seller or related Transferor, as applicable, fulfills its contractual obligations in respect of such representation or warranty. Each of the Servicer, the Issuer, and the Indenture Trustee further acknowledges that the Depositor shall have no obligation or liability with respect to any breach of any representation or warranty with respect to the Loans.

(c) It is understood and agreed that the representations and warranties of the Depositor set forth in Sections 3.01(a)(i) through (x) shall survive the execution and delivery of this Agreement. The Depositor shall indemnify the Servicer, the Indenture Trustee, the Insurers and the Issuer and hold each of the Servicer, the Indenture Trustee, the Insurers and the Issuer harmless against any loss, damages, penalties, fines, forfeitures, legal fees and related costs, judgments, and other costs and expenses resulting from any claim, demand, defense or assertion based on or grounded upon, or resulting from, a breach of the Depositor's representations and warranties contained in Sections 3.01(a)(i) through (x) hereof. It is understood and agreed that the enforcement of the obligation of the Depositor set forth in this Section 3.01 to indemnify the Servicer, the Indenture Trustee, the Insurers and the Issuer as provided in this Section 3.01 constitutes the sole remedy of the Indenture Trustee, the Servicer and the Issuer with respect to a breach by the Depositor of the representations and warranties in Sections 3.01(a)(i) through (x) hereof.

Any cause of action against the Depositor relating to or arising out of the breach of the representations and warranties made in Sections 3.01(a)(i) through (x) hereof shall accrue upon discovery of such breach by the Issuer, the Servicer, an Insurer or the Indenture Trustee.

Section 3.02 Representations and Warranties of the Servicer.

(a) The Servicer hereby represents and warrants to the Depositor, the Issuer, the Certificateholders and the Indenture Trustee, for the benefit of the Insurers and the Noteholders, as of the Closing Date that:

- (i) it is validly existing and in good standing under the laws of the State of its organization, and as Servicer has full power and authority to transact any and all business contemplated by this Agreement and to execute, deliver and comply with its obligations under the terms of this Agreement, the execution, delivery and performance of which have been duly authorized by all necessary limited liability company action on the part of the Servicer;
- (ii) the execution and delivery of this Agreement by the Servicer and its performance and compliance with the terms of this Agreement will not (A) violate the Servicer's organizational documents, (B) violate any law or regulation or any administrative decree or order to which it is subject or (C) constitute a default (or an event which, with notice or lapse of time, or both, would constitute a default) under, or result in the breach of, any material contract, agreement or other instrument to which the Servicer is a party or by which it is bound or to which any of its assets are subject, which violation, default or breach would materially and adversely affect the Servicer's ability to perform its obligations under this Agreement;
- (iii) this Agreement constitutes, assuming due authorization, execution and delivery hereof by the other respective parties hereto, a legal, valid and binding obligation of the Servicer, enforceable against it in accordance with the terms hereof, except as such enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium and other laws affecting the enforcement of creditors' rights in general, and by general equity principles (regardless of whether such enforcement is considered in a proceeding in equity or at law);
- (iv) the Servicer is not in default with respect to any order or decree of any court or any order or regulation of any federal, state, municipal or governmental agency to the extent that any such default would materially and adversely affect its performance hereunder;
- (v) the Servicer is not a party to or bound by any agreement or instrument or subject to any charter provision, bylaw or any other corporate restriction or any judgment, order, writ, injunction, decree, law or regulation that may materially and adversely affect its ability as Servicer to perform its obligations under this Agreement or that requires the consent of any third person to the execution of this Agreement or the performance by the Servicer of its obligations under this Agreement;
- (vi) no litigation is pending or, to the best of the Servicer's knowledge, threatened against the Servicer which would prohibit its entering into this Agreement or performing its obligations under this Agreement;
- (vii) the Servicer, or an affiliate thereof the primary business of which is the servicing of conventional residential mortgage loans, is a Fannie Mae- or FHLMC-approved seller/servicer;
- (viii) no consent, approval, authorization or order of any court or governmental agency or body is required for the execution, delivery and performance by the Servicer of, or compliance by, the Servicer with this Agreement or the consummation of the transactions contemplated by this Agreement, except for such consents, approvals, authorizations and orders (if any) as have been obtained; and
- (ix) the consummation of the transactions contemplated by this Agreement are in the ordinary course of business of the Servicer.

(b) Within 60 days of the earlier of either discovery by or notice to the Servicer of any breach of a representation or warranty set forth in Section 3.02 which materially and adversely affects the ability of the Servicer to perform its duties and obligations under this Agreement or otherwise materially and adversely affects the value of the Loans, the Mortgaged Property or the priority of the security interest on such Mortgaged Property, the Servicer shall cure such breach in all material respects and, if such breach cannot be cured, the Servicer shall, at the Indenture Trustee's option with the consent of the Controlling Insurer, assign the Servicer's rights and obligations under this Agreement (or respecting the affected Loans) to a successor servicer. Such assignment shall be made in accordance with Section 4.33.

Any cause of action against the Servicer relating to or arising out of the breach of any representations and warranties made in this Section 3.02 shall accrue upon discovery of such breach by the Depositor, the Servicer, the Indenture Trustee, an Insurer or the Issuer or notice thereof by any one of such parties (or the Custodian) to the other parties. Notwithstanding anything in this Agreement to the contrary, the Servicer shall not be liable for special, indirect or consequential losses or damages of any kind whatsoever (including, but not limited to, lost profits).

Section 3.03 Discovery of Breach. It is understood and agreed that the representations and warranties (i) set forth in Section 3.01, (ii) of the Seller set forth in the Mortgage Loan Sale Agreement and assigned to the Issuer by the Depositor hereunder and (iii) of each Transferor assigned by the Seller to the Depositor pursuant to the Mortgage Loan Sale Agreement and assigned to the Issuer by the Depositor hereunder, shall be pledged by the Issuer to the Indenture Trustee under the Indenture and shall each survive delivery of the Mortgage Files and the Assignment of Mortgage of each Loan to the Indenture Trustee and shall continue throughout the term of this Agreement. Upon discovery by any of the Depositor, the Servicer or the Indenture Trustee of a breach of any of the representations and warranties of (i) the Seller pursuant to the Mortgage Loan Sale Agreement, or (ii) a Transferor pursuant to the related Transfer Agreement, that adversely and materially affects the value of the related Loan, the party discovering such breach shall give prompt written notice to the other parties. Within 90 days of the discovery of a breach of any such representation or warranty given by any Transferor, the Seller, the Depositor, such Transferor, the Seller or the Depositor (to the extent specified in this sentence and in Section 3.01(b)), as applicable, shall either (a) cure such breach in all material respects, (b) repurchase such Loan or any property acquired in respect thereof from the Issuer at the Loan Purchase Price or (c) with respect to the Loans, within the two-year period following the Closing Date, substitute a Qualifying Substitute Mortgage Loan for the affected Loan. In the event of discovery of a breach of any representation and warranty of any Transferor assigned to the Indenture Trustee, the Indenture

Trustee shall enforce its rights under the applicable Transfer Agreement and the Mortgage Loan Sale Agreement for the benefit of Securityholders and the Insurers. As provided in the Mortgage Loan Sale Agreement, if any Transferor substitutes a mortgage loan for a Deleted Mortgage Loan pursuant to the related Transfer Agreement and such substitute mortgage loan is not a Qualifying Substitute Mortgage Loan, then pursuant to the terms of the Mortgage Loan Sale Agreement the Seller will, in exchange for such substitute mortgage loan, (i) pay to the Trust Estate the applicable Loan Purchase Price for the affected Loan or (ii) substitute a Qualifying Substitute Mortgage Loan.

Section 3.04 Repurchase, Purchase or Substitution of Loans.

(a) With respect to any Loan repurchased by the (i) Seller pursuant to the Mortgage Loan Sale Agreement or (ii) applicable Transferor pursuant to the applicable Transfer Agreement, the Loan Purchase Price shall be deposited in the Collection Account by the Indenture Trustee. The Indenture Trustee, upon (i) receipt of the full amount of the Loan Purchase Price for a Deleted Mortgage Loan, (ii) receipt of a written certification from the Servicer that it has received the full amount of the Loan Purchase Price for a Deleted Mortgage Loan and has deposited such amount in the Collection Account or (iii) notification from the related Custodian of receipt of the Mortgage File for a Qualifying Substitute Mortgage Loan substituted for a Deleted Mortgage Loan (and receipt by the Indenture Trustee of any applicable Substitution Amount), shall release or cause to be released and reassign to the Seller or the Transferor as applicable, the related Mortgage File for the Deleted Mortgage Loan and shall execute and deliver such instruments of transfer or assignment, in each case without recourse, representation or warranty, as shall be necessary to vest in such party or its designee or assignee title to any Deleted Mortgage Loan released pursuant hereto, free and clear of all security interests, liens and other encumbrances created by this Agreement and the Indenture, which instruments shall be prepared by the Servicer and the Indenture Trustee shall have no further responsibility with respect to the Mortgage File relating to such Deleted Mortgage Loan.

(b) With respect to each Qualifying Substitute Mortgage Loan to be delivered to the Indenture Trustee (or its custodian) in exchange for a Deleted Mortgage Loan: (i) the related Transferor or the Seller, as applicable, must deliver to the Indenture Trustee (or a Custodian) the Mortgage File for the Qualifying Substitute Mortgage Loan containing the documents set forth in Section 2.01(d) along with a written certification certifying as to the delivery of such Mortgage File and containing the granting language set forth in Section 2.01(a); and (ii) the related Transferor or the Seller, as applicable, will be deemed to have made as of the date of such transfer, with respect to such Qualifying Substitute Mortgage Loan, each of the representations and warranties made by it with respect to the related Deleted Mortgage Loan. As soon as practicable after the delivery of any Qualifying Substitute Mortgage Loan hereunder, the Indenture Trustee, at the expense of the Depositor and at the direction and with the cooperation of the applicable Servicer, shall (i) with respect to a Qualifying Substitute Mortgage Loan that is a Non-MERS Mortgage Loan, cause the Assignment of Mortgage to be recorded by the applicable Servicer if required pursuant to Section 2.01(e), or (ii) with respect to a Qualifying Substitute Mortgage Loan that is a MERS Mortgage Loan, cause to be taken such actions as are necessary to cause the Indenture Trustee (on behalf of the Issuer) to be clearly identified as the owner of each such Loan on the records of MERS if required pursuant to Section 2.01(e).

ARTICLE IV

ADMINISTRATION AND SERVICING OF MORTGAGE LOANS BY THE SERVICER

Section 4.01 Duties of the Servicer. For and on behalf of the Depositor, the Issuer, the Indenture Trustee, the Insurers and the Securityholders, the Servicer shall service the Loans in accordance with the provisions of this Agreement.

Section 4.02 Servicer Fidelity Bond and Servicer Errors and Omissions Insurance Policy.

(a) The Servicer, at its expense, shall maintain in effect a Fidelity Bond and an Errors and Omissions Insurance Policy, affording coverage with respect to all directors, officers, employees and other Persons acting on the Servicer's behalf, and covering errors and omissions in the performance of the Servicer's obligations hereunder. Such Errors and Omissions Insurance Policy and such Fidelity Bond shall each be in such form and amount that would be consistent with coverage customarily maintained by servicers of mortgage loans similar to the Loans and shall by its terms not be cancelable without thirty days' prior written notice to the Indenture Trustee and, so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer, the Insurers. The Servicer shall provide the Indenture Trustee and, so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer, the Insurers, upon request, with a copy of such policy and fidelity bond.

(b) The Servicer shall promptly report to the Indenture Trustee and, so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to any Insurer, each Insurer any material changes that may occur in the Servicer's Fidelity Bond or Errors and Omissions Insurance Policy and shall furnish to the Indenture Trustee and, so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer, any Insurer, on request, certificates evidencing that such bond and insurance policy are in full force and effect. The Servicer shall promptly report to the Indenture Trustee and, so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to any Insurer, each Insurer all cases of embezzlement or fraud, if such events involve funds relating to the Loans. The total losses, regardless of whether claims are filed with the applicable insurer or surety, shall be disclosed in such reports together with the amount of such losses covered by insurance or bond. If a bond or insurance claim report is filed with any of such bonding companies or insurers, the Servicer shall promptly furnish a copy of such report to the Indenture Trustee and, so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer, each Insurer. Any amounts relating to the Loans collected by the Servicer under any such bond or policy shall be promptly remitted by the Servicer to the Indenture Trustee for deposit into the Payment Account.

Section 4.03 [Reserved.]

Section 4.04 Power to Act; Procedures.

(a) The Servicer shall service the Loans and shall have full power and authority, subject to the provisions of this Agreement, to do any and all things that it may deem necessary or desirable in connection with the servicing and administration of the Loans, including but not limited to the power and authority (i) to execute and deliver, on behalf of the Securityholders and the Indenture Trustee, customary consents or waivers and other instruments and documents, (ii) to consent to transfers of any Mortgaged Property and assumptions of the Mortgage Notes and related Mortgages, (iii) to collect any Insurance Proceeds and Liquidation Proceeds, and (iv) to effectuate foreclosure or other conversion of the ownership of the Mortgaged Property securing any Loan, in each case, in accordance with the provisions of this Agreement; *provided* that the Servicer shall not take, any action that is inconsistent with or prejudices the interests of the Issuer, the Insurers or the Securityholders in any Loan or the rights and interests of the Depositor, the Indenture Trustee, the Insurers and the Securityholders under this Agreement and the Indenture or that would cause an Adverse REMIC Event. The Servicer shall represent and protect the interests of the Issuer, the Insurers and the Securityholders in the same manner as it protects its own interests in mortgage loans in its own portfolio in any claim, proceeding or litigation regarding a Loan. Without limiting the generality of the foregoing, the Servicer in its own name is hereby authorized and empowered by the Indenture Trustee when the Servicer believes it appropriate in its best judgment and in

accordance with Accepted Servicing Practices, to execute and deliver, on behalf of itself and the Securityholders, the Indenture Trustee or any of them, any and all instruments of satisfaction or cancellation, or of partial or full release or discharge and all other comparable instruments, with respect to the Mortgage Loans and with respect to the Mortgaged Properties. The Indenture Trustee shall furnish the Servicer, upon request, with any powers of attorney empowering the Servicer to execute and deliver instruments of satisfaction or cancellation, or of partial or full release or discharge, and to foreclose upon or otherwise liquidate Mortgaged Property, and to appeal, prosecute or defend in any court action relating to the Mortgage Loans or the Mortgaged Property, in accordance with this Agreement, and the Indenture Trustee shall execute and deliver such other documents as the Servicer may request, necessary or appropriate to enable the Servicer to service the Mortgage Loans and carry out its duties hereunder, in each case in accordance with Accepted Servicing Practices (and the Indenture Trustee shall have no liability for misuse of any such powers of attorney by the Servicer). If the Servicer or the Indenture Trustee has been advised that it is likely that the laws of the state in which action is to be taken prohibit such action if taken in the name of the Indenture Trustee or that the Indenture Trustee would be adversely affected under the "doing business" or tax laws of such state if such action is taken in its name, then upon request of the Indenture Trustee, the Servicer shall join with the Indenture Trustee in the appointment of a co-trustee pursuant to Section 6.10 of the Indenture. In no event shall the Servicer, without the Indenture Trustee's written consent: (i) initiate any action, suit or proceeding solely under the Indenture Trustee's name without indicating the Servicer's representative capacity or (ii) take any action with the intent to cause, and which actually does cause, the Indenture Trustee to be registered to do business in any state. The Servicer shall indemnify the Indenture Trustee for any and all costs, liabilities and expenses incurred by the Indenture Trustee in connection with the negligent or willful misuse of such powers of attorney by the Servicer. In the performance of its duties hereunder, the Servicer shall be an independent contractor and shall not, except in those instances where it is taking action in the name of the Indenture Trustee, be deemed to be the agent of the Indenture Trustee.

(b) In servicing and administering the Loans, the Servicer shall employ procedures and exercise the same care that it customarily employs and exercises in servicing and administering loans for its own account, giving due consideration to Accepted Servicing Practices where such practices do not conflict with this Agreement. Consistent with the foregoing, the Servicer may in its discretion with respect to any Delinquent Loan (i) waive any late payment charge and (ii) extend the due dates for payments due on a Mortgage Note with respect to a Delinquent Closed End Second for a period not greater than 90 days if (a) the borrower has shown renewed willingness and ability to make payments on the loan, (b) the loan must be at least nine months old and (c) the borrower must make at least three consecutive monthly payments before extension, or an equivalent lump sum; *provided, however*, that the maturity of any Loan shall not be extended past the date on which the final payment is due on the latest maturing Loan as of the Cut-off Date and there will be no more than two occurrences of due date extension per loan up to an aggregate limit of 90 days. In the event of any extension described in clause (ii) above, the Servicer shall make Servicing Advances on the related Loan in accordance with the provisions of Section 4.07 of this Agreement on the basis of the amortization schedule of such Loan without modification thereof by reason of such extension.

(c) The Servicer shall not consent to any increase in the Credit Limit of any Loan unless (i) a new appraisal is obtained on the related Mortgaged Property, (ii) immediately following such increase in such Credit Limit, the Combined Loan-to-Value Ratio of such Loan (calculated using the new appraised value of such Loan determined in clause (i) above) is less than or equal to the Combined Loan-to-Value Ratio of such Loan as of the Cut-off Date and (iii) the Mortgaged Property is owner occupied.

Section 4.05 Collection of Taxes, Assessments and Similar Items.

(a) The Servicer shall establish and maintain one or more custodial accounts at a depository institution (which may be a depository institution with which the Servicer establishes accounts in the ordinary course of its servicing activities), the accounts of which are insured to the maximum extent permitted by the FDIC (each, an "Escrow Account") and to deposit therein any collections of amounts received with respect to amounts due for taxes, assessments, water rates, standard hazard insurance policy premiums or any comparable items for the account of the Mortgagors. The Servicer shall make (or cause to be made) advances to the extent necessary in order to effect timely payment of taxes, water rates, assessments, Standard Hazard Insurance Policy premiums or comparable items in connection with the related Loan (to the extent that the Mortgagor is required, but fails, to pay such items), provided that it or the Servicer has determined that the funds so advanced are recoverable from escrow payments, reimbursement pursuant to Section 4.07 or otherwise.

(b) Costs incurred by the Servicer in effecting the timely payment of taxes and assessments on the properties subject to the Loans may be added to the amount owing under the related Mortgage Note where the terms of the Mortgage Note so permit; provided, however, that the addition of any such cost shall not be taken into account for purposes of calculating the distributions to be made to Securityholders. Such costs, to the extent that they are unanticipated, extraordinary costs, and not ordinary or routine costs shall be recoverable as a Servicing Advance by the Servicer pursuant to Section 4.07.

Section 4.06 Collection Account.

(a) On the Closing Date, the Servicer shall open and shall thereafter maintain a segregated account held in trust in the name of the Securities Intermediary (the "Collection Account"), entitled "Collection Account, U.S. Bank National Association, as indenture trustee, in trust for Holders of the GreenPoint Mortgage Funding Trust 2006-HE1, Home Equity Loan Asset-Backed Notes, Series 2006-HE1." The Collection Account shall relate solely to the Securities issued by the Issuer, and funds in such Collection Account shall not be commingled with any other monies.

(b) The Collection Account shall be an Eligible Account. If an existing Collection Account ceases to be an Eligible Account, the Servicer shall establish a new Collection Account that is an Eligible Account within 10 days and transfer all funds and investment property on deposit in such existing Collection Account into such new Collection Account.

(c) The Servicer shall give to the Indenture Trustee prior written notice of the name and address of the depository institution at which the Collection Account is maintained and the account number of such Collection Account. The Servicer shall take such actions as are necessary to cause the depository institution holding the Collection Account to hold such account in the name of the Indenture Trustee in trust for the Noteholders and the Insurers under this Agreement. On each Servicer Remittance Date, the entire amount on deposit in the Collection Account relating to the Loans (subject to permitted withdrawals set forth in Section 4.07), other than amounts not included in the Total Distribution Amount for such Payment Date, shall be remitted to the Indenture Trustee for deposit into the Payment Account by wire transfer in immediately available funds. The Servicer, at its option, may choose to make daily remittances from the Collection Account to the Indenture Trustee for deposit into the Payment Account. If the Servicer fails to make any remittance so required, including any advance, to be made by the Servicer on the Servicer Remittance Date (without regard to any grace period), the Servicer shall pay to the Indenture Trustee, for the account of the Indenture Trustee, interest on such late remittance at the Prime Rate from and including the Servicer Remittance Date to but excluding the date such remittance is made.

(d) The Servicer shall deposit or cause to be deposited into the Collection Account, on the Closing Date, any amounts (other than in respect of interest on any Loans due on a due date prior to the Cut-off Date) received with respect to the Loans due after the Cut-off Date and on or before the Closing Date. Thereafter, the Servicer shall deposit or cause to be deposited in the Collection Account on the earlier of the applicable deposit date and two Business Days following receipt thereof, the following amounts received or payments made by it (other than in respect of interest on any Mortgage Loans due on a Due Date prior to the Cut-off Date):

- (i) all payments on account of principal and late collections, on the Loans;
- (ii) all payments on account of interest on the Loans, net of the Servicing Fee (to the extent not paid pursuant to Section 5.06 hereof) with respect to each such Loan, but only to the extent of the amount permitted to be withdrawn or withheld from the Collection Account in accordance with Section 4.20;
- (iii) any unscheduled payment or other recovery with respect to a Loan not otherwise specified in this paragraph (d), including all Net Liquidation Proceeds with respect to the Loans and REO Property, all Recovered Amounts, and all amounts received in connection with the operation of any REO Property, net of any unpaid Servicing Fees with respect to such Mortgage Loans (but only to the extent of the amount permitted to be withdrawn or withheld from the Collection Account in accordance with Section 4.20);
- (iv) all Insurance Proceeds and Condemnation Proceeds; and
- (v) the Loan Purchase Price of any Mortgage Loan repurchased by the Seller, a Transferor or any other Person and any Substitution Amount related to any Qualifying Substitute Mortgage Loan.

(e) Funds in the Collection Account may be invested in Eligible Investments selected by and at the written direction of the Servicer, which shall mature not later than one Business Day prior to the next Servicer Remittance Date and any such Eligible Investment shall not be sold or disposed of prior to its maturity. All such Eligible Investments shall be made in the name of the Servicer in trust for the benefit of the Indenture Trustee, the Insurers and the Securityholders. All income and gain realized from any Eligible Investment shall be part of the Trust Estate. Without limiting the generality of the foregoing, payments in the nature of late payment charges, assumption fees and other incidental fees and charges relating to the Loans need not be deposited by the Servicer in the Collection Account and may be retained by the Servicer as additional servicing compensation; provided, however, that such amounts shall not include Annual Fees or Termination Fees. If the Servicer deposits in the Collection Account any amount not required to be deposited therein, it may at any time withdraw such amount from such Collection Account.

Section 4.07 Application of Funds in the Collection Account. The Servicer may, from time to time, make, or cause to be made, withdrawals from the Collection Account for the following purposes:

- (a) to reimburse itself for Servicing Advances; such right to reimbursement pursuant to this subclause (i) is limited to amounts received on or in respect of a particular Loan (including, for this purpose, Liquidation Proceeds and amounts representing Insurance Proceeds with respect to the property subject to the related Mortgage) it being understood, in the case of any such reimbursement, that the Servicer's right thereto shall be prior to the rights of the Securityholders;
- (b) to pay itself out of each payment received on account of interest on a Loan, an amount equal to the related Servicing Fee (to the extent not retained pursuant to Section 4.20 or paid pursuant to Section 5.06);
- (c) to reimburse itself from Liquidation Proceeds for Liquidation Expenses and for amounts expended by it pursuant to Section 4.20(a) in good faith in connection with the restoration of damaged property and, to the extent that Liquidation Proceeds after such reimbursement exceed the unpaid principal balance of the related Mortgage Loan, together with accrued and unpaid interest thereon at the applicable Loan Rate less the applicable Servicing Fee Rate for such Mortgage Loan to the Due Date next succeeding the date of its receipt of such Liquidation Proceeds, to pay to itself out of such excess the amount of any unpaid assumption fees, late payment charges or other Mortgagor charges (other than Annual Fees and Termination Fees) on the related Mortgage Loan and to retain any excess remaining thereafter as additional servicing compensation, it being understood, in the case of any such reimbursement or payment, that the Servicer's right thereto shall be prior to the rights of the Securityholders;
- (d) to reimburse itself for expenses incurred by and recoverable by or reimbursable to it pursuant to Section 4.04;
- (e) to pay to the Depositor, the Seller or any Transferor, as applicable, with respect to each Loan or REO Property acquired in respect thereof that has been purchased pursuant to this Agreement, all amounts received thereon and not distributed on the date on which the related repurchase was effected, and to pay to the applicable Person any Servicing Advances to the extent specified in the definition of Loan Purchase Price;
- (f) [reserved];
- (g) to reimburse itself for Servicing Advances on a Loan that are not made pursuant to Sections 4.07(a) or (c);
- (h) on each Deposit Date, to make payment to the Indenture Trustee for deposit into the Payment Account in the amounts and in the manner provided for in Section 4.06(c) for the related Payment Date (to the extent collected by the Servicers);
- (i) [reserved];
- (j) to make payment to itself, the Indenture Trustee, the Custodians, the Administrator and others pursuant to any provision of this Agreement, the Indenture, the Custodial Agreements or the Administration Agreement;
- (k) to withdraw funds deposited in error in the Collection Account;
- (l) to clear and terminate the Collection Account pursuant to Article VIII;
- (m) to reimburse the Indenture Trustee, as successor servicer, or a successor servicer (solely in its capacity as successor servicer), for any fee or advance occasioned by a termination of the servicer, and the assumption of such duties by the Indenture Trustee or a successor servicer appointed by the Indenture Trustee pursuant to Section 6.01, in each case to the extent not reimbursed by the terminated Servicer, it being understood, in the case of any such reimbursement or payment, that the right of the Servicer or the Indenture Trustee thereto shall be prior to the rights of the Securityholders; and

In connection with withdrawals pursuant to subclauses (a), (c) and (d) above, the Servicer's entitlement thereto is limited to collections or other recoveries on the related Loan. The Servicer shall therefore keep and maintain a separate accounting for each Mortgage Loan it services for the purpose of justifying any withdrawal from the Collection Account it maintains pursuant to such subclause (a), (c) and (d).

Section 4.08 Reports of Indenture Trustee to Securityholders and the Insurers.

- (a) On each Payment Date, the Indenture Trustee shall provide to each Securityholder and, so long as the Notes are Outstanding or any Reimbursement

Amounts remain due and owing to any Insurer, each Insurer, or shall make available via the Indenture Trustee's internet website, a report (the "Payment Date Statement") setting forth the following information (on the basis of Loan level information obtained from the Servicer):

The Indenture Trustee shall be entitled to conclusively rely on the Loan data provided by the Servicer, and shall have no liability for any errors in such Loan data.

(b) Upon the reasonable advance written request of any Securityholder that is a savings and loan, bank or insurance company, which request, if received by the Indenture Trustee, the Indenture Trustee shall provide, or cause to be provided (or, to the extent that such information or documentation is not required to be provided by the Servicer under this Agreement, shall use reasonable efforts to obtain such information and documentation from the Servicer, and provide), to such Securityholder such reports and access to information and documentation regarding the Loans as such Securityholder may reasonably deem necessary to comply with applicable regulations of the Office of Thrift Supervision or its successor or other regulatory authorities with respect to an investment in the Securities; *provided, however*, that the Indenture Trustee shall be entitled to be reimbursed by such Securityholder for the Indenture Trustee's actual expenses incurred in providing such reports and access.

Section 4.09 [Reserved]

Section 4.10 [Reserved]

Section 4.11 Assumption of Servicing by Indenture Trustee.

(a) In the event the Servicer shall for any reason no longer be the Servicer (including by reason of any Event of Servicer Termination under this Agreement), the Indenture Trustee shall thereupon assume all of the rights and obligations of such Servicer hereunder. The Indenture Trustee, its designee or any successor servicer appointed by the Indenture Trustee shall be deemed to have assumed all of the Servicer's interest herein, except that the Servicer shall not thereby be relieved of any liability or obligations of the Servicer accruing prior to its replacement as Servicer, and shall be liable to the Indenture Trustee, and hereby agrees to indemnify and hold harmless the Indenture Trustee from and against all costs, damages, expenses and liabilities (including reasonable attorneys' fees) incurred by the Indenture Trustee as a result of such liability or obligations of the Servicer and in connection with the Indenture Trustee's assumption (but not its performance, except to the extent that costs or liability of the Indenture Trustee are created or increased as a result of negligent or wrongful acts or omissions of the Servicer prior to its replacement as Servicer) of the Servicer's obligations, duties or responsibilities thereunder.

(b) The Servicer that has been terminated shall, upon request of the Indenture Trustee but at the expense of such Servicer, deliver to the assuming party all documents and records relating to the Loans and an accounting of amounts collected and held by it and otherwise use its best efforts to effect the orderly and efficient transfer of each Servicing Agreement to the assuming party.

Section 4.12 "Due-on-Sale" Clauses; Assumption Agreements. To the extent Loans contain enforceable due-on-sale clauses, the Servicer shall enforce such clauses in accordance with this Agreement. If applicable law prohibits the enforcement of a due-on-sale clause or such clause is otherwise not enforced in accordance with this Agreement, and, as a consequence, a Loan is assumed, the original Mortgagor may be released from liability in accordance with this Agreement.

Section 4.13 Release of Mortgage Files.

(a) Upon (i) becoming aware of the payment in full of any Loan or (ii) the receipt by the Servicer of a notification that payment in full has been or will be escrowed in a manner customary for such purposes, the Servicer will promptly notify the Indenture Trustee (or the Custodian) by a certification (which certification shall include a statement to the effect that all amounts received in connection with such payment that are required to be deposited in the Collection Account maintained by the Servicer pursuant to Section 4.06 have been or will be so deposited) of a Servicing Officer and shall request (on the form attached hereto as Exhibit B or on the form attached to the related Custodial Agreement) the Indenture Trustee or the Custodian, to deliver the related Mortgage File. Upon receipt of such certification and request, the Indenture Trustee or the Custodian (with the consent, and at the direction of the Indenture Trustee), shall promptly release the related Mortgage File to the Servicer and the Indenture Trustee shall have no further responsibility with regard to such Mortgage File. Upon any such payment in full, the Servicer is authorized to give, as agent for the Indenture Trustee, as the mortgagee under the Mortgage that secured the Loan, an instrument of satisfaction (or assignment of mortgage without recourse) regarding the Mortgaged Property subject to the Mortgage, which instrument of satisfaction or assignment, as the case may be, shall be delivered to the Person or Persons entitled thereto against receipt therefor of such payment, it being understood and agreed that no expenses incurred in connection with such instrument of satisfaction or assignment, as the case may be, shall be chargeable to the Collection Account.

(b) From time to time and as appropriate for the servicing or foreclosure of any Loan and in accordance with Accepted Servicing Practices and this Agreement, the Indenture Trustee shall execute such documents as shall be prepared and furnished to the Indenture Trustee by the Servicer (in form reasonably acceptable to the Indenture Trustee) and as are necessary to the prosecution of any such proceedings. The Indenture Trustee or the Custodian, shall, upon request of the Servicer and delivery to the Indenture Trustee or the Custodian, of a trust receipt signed by a Servicing Officer substantially in the form of Exhibit B, release the related Mortgage File held in its possession or control to the Servicer (or the applicable Servicer). Such trust receipt shall obligate the Servicer to return the Mortgage File to the Indenture Trustee or the Custodian, as applicable, when the need therefor by the Servicer no longer exists unless the Loan shall be liquidated, in which case, upon receipt of a certificate of a Servicing Officer similar to that hereinabove specified, the trust receipt shall be released by the Indenture Trustee or the Custodian, as applicable, to the Servicer.

Section 4.14 Documents, Records and Funds in Possession of Servicer To Be Held for Indenture Trustee.

(a) The Servicer shall transmit to the Indenture Trustee such documents and instruments coming into the possession of the Servicer from time to time as are

required by the terms hereof or of this Agreement to be delivered to the Indenture Trustee or the Custodian. Any funds received by the Servicer in respect of any Loan or which otherwise are collected by the Servicer as Liquidation Proceeds or Insurance Proceeds in respect of any Loan shall be held for the benefit of the Indenture Trustee, the Insurers and the Securityholders subject to the Servicer's right to retain or withdraw amounts provided in this Agreement. The Servicer shall provide access to information and documentation regarding the Loans to the Indenture Trustee and the Insurers (so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer), their respective agents and accountants at any time upon reasonable request and during normal business hours, and to Securityholders that are savings and loan associations, banks or insurance companies, the Office of Thrift Supervision, the FDIC and the supervisory agents and examiners of such Office and Corporation or examiners of any other federal or state banking or insurance regulatory authority if so required by applicable regulations of the Office of Thrift Supervision or other regulatory authority, such access to be afforded without charge but only upon reasonable request in writing and during normal business hours at the offices of the Servicer designated by it. In fulfilling such a request the Servicer shall not be responsible for determining the sufficiency of such information.

(b) All Mortgage Files and funds collected or held by, or under the control of, the Servicer in respect of any Loans, whether from the collection of principal and interest payments or from Liquidation Proceeds or Insurance Proceeds, shall be held by the Servicer for and on behalf of the Indenture Trustee as the Indenture Trustee's agent and bailee for purposes of perfecting the Indenture Trustee's security interest therein as provided by the UCC or other applicable laws; *provided, however*, that the Servicer shall be entitled to setoff against, and deduct from, any such funds any amounts that are properly due and payable to the Servicer under this Agreement or this Agreement and shall be authorized to remit such funds to the Indenture Trustee in accordance with this Agreement.

(c) The Servicer hereby acknowledges that concurrently with the execution of this Agreement, the Indenture Trustee shall own or, to the extent that a court of competent jurisdiction shall deem the conveyance of the Loans from the Seller to the Depositor or the Depositor to the Issuer not to constitute a sale, the Indenture Trustee shall have a security interest in the Loans and in all Mortgage Files representing such Loans and in all funds and investment property now or hereafter held by, or under the control of the Servicer that are collected by the Servicer in connection with the Loans, whether as scheduled installments of principal and interest or as full or partial prepayments of principal or interest or as Liquidation Proceeds or Insurance Proceeds or otherwise, and in all proceeds of the foregoing and proceeds of proceeds (but excluding any fee or other amounts to which the Servicer or the Depositor is entitled to hereunder); and the Servicer agrees that so long as the Loans are assigned to and held by the Indenture Trustee or any Custodian, all documents or instruments constituting part of the Mortgage Files, and such funds relating to the Loans which come into the possession or custody of, or which are subject to the control of, the Servicer shall be held by the Servicer for and on behalf of the Indenture Trustee as the Indenture Trustee's agent and bailee for purposes of perfecting the Indenture Trustee's security interest therein as provided by the UCC or other applicable laws.

Section 4.15 [Reserved].

Section 4.16 Standard Hazard and Flood Insurance Policies. For each Loan, to the extent required under this Agreement, the Servicer shall maintain standard fire and casualty insurance and, where applicable, flood insurance, all in accordance with the provisions of this Agreement, as applicable. It is understood and agreed that such insurance shall be with insurers meeting the eligibility requirements set forth in this Agreement and that no earthquake or other additional insurance is to be required of any Mortgagor or to be maintained on property acquired in respect of a defaulted loan, other than pursuant to such applicable laws and regulations as shall at any time be in force and as shall require such additional insurance.

Pursuant to Section 4.06, any amounts collected by the Servicer under any insurance policies maintained pursuant to this Section 4.16 (other than amounts to be applied to the restoration or repair of the property subject to the related Mortgage or released to the Mortgagor in accordance with this Agreement) shall be deposited into the Collection Account, subject to withdrawal pursuant to Section 4.07. Any cost incurred by the Servicer in maintaining any such insurance if the Mortgagor defaults in its obligation to do so shall be added to the amount owing under the Loan where the terms of the Loan so permit; *provided, however*, that the addition of any such cost shall not be taken into account for purposes of calculating the distributions to be made to Securityholders and shall be recoverable by the Servicer pursuant to Section 4.07.

Section 4.17 Presentment of Claims and Collection of Proceeds. The Servicer shall, prepare and present on behalf of the Indenture Trustee and the Securityholders all claims under the Insurance Policies with respect to the Loans, and take such actions (including the negotiation, settlement, compromise or enforcement of the insured's claim) as shall be necessary to realize recovery under such policies. Any proceeds disbursed to the Servicer in respect of such policies or bonds shall be promptly deposited in the Collection Account or the Custodial Account upon receipt, except that any amounts realized that are to be applied to the repair or restoration of the related Mortgaged Property as a condition requisite to the presentation of claims on the related Loan to the insurer under any applicable Insurance Policy need not be so deposited (or remitted).

Section 4.18 [Reserved].

Section 4.19 [Reserved].

Section 4.20 Compensation to the Servicer. (a) Servicing compensation in the form of any assumption fees, modification fees, extension fees, nonsufficient fund fees and late payment charges to the extent collected from the borrower or otherwise (but not including any Prepayment Premium) shall be retained by the Servicer and shall not be deposited in the Collection Account; provided however, that such amounts shall not include any Annual Fees or Termination Fees. The Servicer shall be required to pay all expenses incurred by it in connection with its activities hereunder and shall not be entitled to reimbursement therefor except as provided in this Agreement.

(a) So long as GMACM is acting as the Servicer, the Servicer will be entitled to the Servicing Fee with respect to each Loan as compensation for its servicing activities. So long as an entity other than GMACM is acting as the Servicer, the Servicer will be entitled to compensation as agreed to by the Servicer and the Depositor from time to time, which will be subject to the Servicing Fee being calculated at the Maximum Servicing Fee Rate and based on market rates for comparable servicing activities and the amount of such Servicer compensation shall be retained by the Servicer and shall not be deposited in the Collection Account.

(b) The provisions of this Section 4.20 are subject to the provisions of Section 6.01.

Section 4.21 REO Property.

(a) In the event the Issuer acquires ownership of any REO Property or the proceeds of any Loan, the deed or certificate of sale shall be issued to the Indenture Trustee, or to its nominee, on behalf of the Securityholders. The Servicer shall use its reasonable best efforts to sell, or cause the applicable Servicer, to the extent provided in this Agreement, to sell any REO Property as expeditiously as possible and in accordance with the provisions of this Agreement, as applicable, but in all events within the time period, and subject to the conditions set forth in Article VII and prior to the close of the third taxable year after its acquisition by the Issuer unless the Indenture Trustee and (so long as any Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer) the Insurers shall have been supplied with an Opinion of Counsel to the effect that the holding by the Issuer of such REO Property subsequent to such three-year period will not cause an Adverse REMIC Event, in which case the Issuer may continue to hold such REO Property (subject to any conditions contained in such Opinion of Counsel and the other requirements of this Section 4.21). Pursuant to its efforts to sell such REO Property, the Servicer shall protect and conserve such REO Property in the manner and to such extent required by this Agreement, subject to Article VII hereof. The decision of the Servicer to foreclose, or to continue the foreclosure process, on a defaulted Loan shall be subject to a determination by the Servicer that the related Mortgaged Property will not fail to qualify as "foreclosure property" within meaning of Section 860G(a)(8) of the Code and that the proceeds of such foreclosure would more likely than not exceed the costs and expenses of bringing such a proceeding and liquidating the REO Property expected to be obtained through such foreclosure. Notwithstanding any other provision of this Agreement, no Mortgaged Property acquired by the Issuer shall be rented (or allowed to continue to be rented) or otherwise used for the production of income by or on behalf of the Issuer in such a manner or pursuant to any terms that would (i) cause such Mortgaged Property to fail to qualify as "foreclosure property" within the meaning of Section 860G(a)(8) of the Code or (ii) subject any REMIC created under the Trust Agreement to the imposition of any federal, state or local income taxes on the income earned from such Mortgaged Property, unless the Servicer has agreed to indemnify and hold harmless the Issuer and the Trust Estate with respect to the imposition of any such taxes.

(b) The Servicer shall deposit or cause to be deposited all funds collected and received by it in connection with the operation of any REO Property in the Collection Account.

(c) The Servicer, upon the final disposition of any REO Property, shall be entitled to reimbursement for any related unreimbursed Servicing Advances and other unreimbursed advances as well as any unpaid Servicing Fees from Liquidation Proceeds received in connection with the final disposition of such REO Property; *provided*, that (without limitation of any other right of reimbursement that the Servicer shall have hereunder) any such unreimbursed Servicing Advances as well as any unpaid Servicing Fees may be reimbursed or paid, as the case may be, prior to final disposition, out of any net rental income or other net amounts derived from such REO Property.

(d) Net Liquidation Proceeds from the final disposition of the REO Property shall be deposited in the Collection Account on or prior to the Determination Date in the month following receipt thereof and be remitted by wire transfer in immediately available funds to the Indenture Trustee for deposit into the Payment Account on the next succeeding Servicer Remittance Date.

Section 4.22 [Reserved].

Section 4.23 Reports to the Indenture Trustee.

(a) Not later than 30 days after each Payment Date, the Servicer shall, forward to the Indenture Trustee and the Insurers (so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer) a statement, deemed to have been certified by a Servicing Officer, setting forth the status of the Collection Account maintained by the Servicer as of the close of business on the related Payment Date, indicating that all distributions required by this Agreement to be made by the Servicer have been made (or if any required distribution has not been made by the Servicer, specifying the nature and status thereof) and showing, for the period covered by such statement, the aggregate of deposits into and withdrawals from the Collection Account maintained by the Servicer. Copies of such statement shall be provided by the Servicer, upon request, to the Depositor, Attention: Contract Finance and any Securityholders (or by the Indenture Trustee at the Servicer's expense if the Servicer shall fail to provide such copies to the Securityholders (unless (i) the Servicer shall have failed to provide the Indenture Trustee with such statement or (ii) the Indenture Trustee shall be unaware of the Servicer's failure to provide such statement)).

(b) Not later than two Business Days following each Payment Date, the Servicer shall deliver to one Person designated by the Depositor, in a format consistent with other electronic loan level reporting supplied by the Servicer in connection with similar transactions, "loan level" information with respect to the Loans as of the related Determination Date.

(ii) When the Servicer (or any Servicing Function Participant engaged by the Servicer) submits its assessments to the Indenture Trustee, the Servicer will also at such time include the assessment (and attestation pursuant to subsection (b) of this Section 4.24) of each Servicing Function Participant engaged by it and shall indicate to the Depositor what Relevant Servicing Criteria will be addressed in any such reports prepared by any such Servicing Function Participant.

(iii) Promptly after receipt of each such report on assessment of compliance, the Exchange Act Signing Party shall confirm that the assessments, taken as a whole, address all of the Servicing Criteria and taken individually address the Relevant Servicing Criteria (and disclose the inapplicability of the Servicing Criteria not determined to be Relevant Criteria) for each party as set forth on Exhibit J, and each Custodial Agreement in respect of each Custodian, and shall notify the Depositor of any exceptions.

In the event that an overall opinion cannot be expressed, such registered public accounting firm shall state in such report why it was unable to express such an opinion. Such report must be available for general use and not contain restricted use language.

(ii) Promptly after receipt of such report from the Servicer or any Servicing Function Participant engaged by such party, the Exchange Act Signing Party shall confirm that each assessment submitted pursuant subsection (a) of this Section 4.24 is coupled with an attestation meeting the requirements of this Section and notify the Depositor of any exceptions.

(c) The Servicer shall indemnify and hold harmless the Seller, the Depositor and the Indenture Trustee and their respective officers, directors, agents and affiliates from and against any losses, damages, penalties, fines, forfeitures, reasonable legal fees and related costs, judgments and other costs and expenses arising out of or based upon a breach by the Servicer or any of its officers, directors, agents or affiliates of its obligations under this Section 4.24 or the negligence, bad faith or willful misconduct of the Servicer in connection therewith; provided, however for any indemnification from the Servicer to any of the above parties with respect to any breaches of this Section 4.24, the Servicer in no event will be liable for any punitive or consequential damages.

(d) The Servicer's obligation to provide assessments of compliance and attestations under this Section 4.24 shall terminate upon the filing of a Form 15 suspension notice on behalf of the Issuer.

Section 4.25 Annual Statement of Compliance with Applicable Servicing Criteria

(b) Copies of such statements shall be provided to any Securityholder upon request, by the Indenture Trustee at the Servicer's expense if the Servicer failed to provide such copies (unless (i) the Servicer shall have failed to provide the Indenture Trustee with such statement or (ii) the Indenture Trustee shall be unaware of the Servicer's failure to provide such statement).

(c) The Servicer shall give prompt written notice to the Indenture Trustee, the Seller and the Depositor of the appointment of any Subcontractor by it and a written description (in form and substance satisfactory to the Indenture Trustee, the Seller and the Depositor) of the role and function of each Subcontractor utilized by the Servicer, specifying (A) the identity of each such Subcontractor and (B) which elements of the Servicing Criteria set forth under Item 1122(d) of Regulation AB will be addressed in assessments of compliance provided by each such Subcontractor.

(d) The Servicer shall notify the Indenture Trustee, the Depositor and the Seller within five (5) days of knowledge thereof (i) of any legal proceedings pending against the Servicer of the type described in Item 1117 (§ 229.1117) of Regulation AB and (ii) if the Servicer shall become (but only to the extent not previously disclosed) at any time an affiliate of any of the parties listed on Exhibit K to this Agreement. On or before March 1st of each year, the Depositor shall distribute the information in Exhibit K to the Servicer.

Section 4.26 Merger or Consolidation. Any Person into which the Servicer may be merged or consolidated, or any Person resulting from any merger, conversion, other change in form or consolidation to which the Servicer shall be a party, or any Person succeeding to the business of the Servicer, shall be the successor to the Servicer hereunder, without the execution or filing of any paper or any further act on the part of any of the parties hereto, anything herein to the contrary notwithstanding; *provided, however*, that the successor or resulting Person to the Servicer shall be a Person that shall be qualified and approved to service mortgage loans for Fannie Mae or FHLMC and shall have a net worth of not less than \$15,000,000.

Section 4.27 Resignation of Servicer. Except as otherwise provided in Sections 4.26 and 4.28 hereof, the Servicer shall not resign from the obligations and duties hereby imposed on it unless it or the Indenture Trustee, acting at the direction of the Controlling Insurer, determines that the Servicer's duties hereunder are no longer permissible under applicable law or are in material conflict by reason of applicable law with any other activities carried on by it and cannot be cured. Any such determination permitting the resignation of the Servicer shall be evidenced by an Opinion of Counsel that shall be Independent to such effect delivered to the Indenture Trustee and, so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer, the Insurers. No such resignation shall become effective until the Indenture Trustee shall have assumed, or a successor servicer shall have been appointed by the Indenture Trustee and until such successor shall have assumed, the Servicer's responsibilities and obligations under this Agreement. Notice of such resignation shall be given promptly by the Servicer and the Depositor to the Indenture Trustee.

Section 4.28 Assignment or Delegation of Duties by the Servicer. Except as expressly provided herein, the Servicer shall not assign or transfer any of its rights, benefits or privileges hereunder to any other Person, or delegate to or subcontract with, or authorize or appoint any other Person to perform any of the duties, covenants or obligations to be performed by the Servicer hereunder; *provided, however*, that the Servicer shall have the right without the prior written consent of the Indenture Trustee, the Insurers or the Depositor to delegate or assign to or subcontract with or authorize or appoint an Affiliate of the Servicer to perform and carry out any duties, covenants or obligations to be performed and carried out by the Servicer hereunder. In no case, however, shall any such delegation, subcontracting or assignment to an Affiliate of the Servicer relieve the Servicer of any liability hereunder. Notice of such permitted assignment shall be given promptly by the Servicer to the Depositor, the Insurers (so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer) and the Indenture Trustee. If, pursuant to any provision hereof, the duties of the Servicer are transferred to a successor servicer, the entire amount of compensation payable to the Servicer pursuant hereto, including amounts payable to or permitted to be retained or withdrawn by the Servicer pursuant to Section 4.20 hereof, shall thereafter be payable to such successor servicer.

At any time during the period that a Form 10-K is being filed with respect to the Trust in accordance with the Exchange Act and the rules and regulations of the Commission, the Servicer shall not permit a Subservicer to perform any servicing responsibilities hereunder with respect to the Loans unless that Subservicer first agrees in

In addition to its indemnification under Section 4.24(c), the Servicer agrees to indemnify the Depositor, the Issuer, the Insurers and the Indenture Trustee, and hold them harmless against any and all claims, losses, penalties, fines, forfeitures, legal fees and related costs, judgments, and any other costs, liability, fees and expenses that the Depositor, the Issuer, the Insurers or the Indenture Trustee may sustain as a result of (a) any breach by the Servicer of any of its other obligations hereunder, (b) any misstatement or omission in any other information, data or materials provided by the Servicer, or (c) the negligence, bad faith or willful misconduct of the Servicer in connection with its performance hereunder; provided, however for any indemnification from the Servicer to any of the above parties with respect to this Section 4.30, the Servicer in no event will be liable for any punitive or consequential damages. The Depositor, the Issuer, the Insurers and the Indenture Trustee shall immediately notify the Servicer if a claim is made by a third party with respect to this Agreement, the Loans entitling the Depositor, the Issuer, the Insurers or the Indenture Trustee to indemnification hereunder, whereupon the Servicer shall assume the defense of any such claim and pay all expenses in connection therewith, including counsel fees, and promptly pay, discharge and satisfy any judgment or decree which may be entered against it or them in respect of such claim.

The Servicer and any director or officer or employee or agent of the Servicer may rely in good faith on any document of any kind prima facie properly executed and submitted by any Person respecting any matters arising hereunder. The Servicer shall not be under any obligation to appear in, prosecute or defend any legal action that is not incidental to its duties to service the Loans in accordance with this Agreement, and that in its opinion may involve it in any expense or liability; provided, however, that the Servicer may in its sole discretion undertake any such action that it may deem necessary or desirable in respect of this Agreement, the rights and duties of the parties hereto and the interests of the Securityholders. In such event, the reasonable legal expenses and costs of such action and any liability resulting therefrom shall be expenses, costs and liabilities of the Issuer, and the Servicer shall be entitled to be reimbursed therefor. The Servicer's right to indemnity or reimbursement pursuant to this Section 4.31 shall survive any resignation or termination of the Servicer pursuant to Section 4.31 with respect to any losses, expenses, costs or liabilities arising prior to such resignation or termination (or arising from events that occurred prior to such resignation or termination).

Section 4.32 Alternative Index. In the event that the Index for any Loan, as specified in the related Mortgage Note, becomes unavailable for any reason, the Servicer shall select an alternative index in accordance with the terms of such Mortgage Note or, if such Mortgage Note does not make provision for the selection of an alternative index in such event, the Servicer shall, subject to applicable law, select an alternative index based on information comparable to that used in connection with the original Index and, in either case, such alternative index shall thereafter be the Index for such Loan.

Section 4.33 Transfer of Servicing. The Seller agrees that it shall provide written notice to the Servicer, each Insurer (so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer) and the Indenture Trustee thirty days prior to any proposed transfer or assignment by the Seller of its rights under this Agreement or delegation of its rights or duties hereunder or any portion thereof to any other Person. In addition, the ability of the Seller to transfer or assign its rights and delegate its duties under this Agreement or to transfer the servicing hereunder to a successor servicer shall be subject to the following conditions:

- (i) satisfaction of the conditions to such transfer as set forth in this Agreement including, without limitation, receipt of written consent of the Servicer and the Controlling Insurer to such transfer, in consultation with the other Insurer so long as no Insurer Default has occurred and is continuing with respect to such other Insurer;
- (ii) Such successor servicer must be qualified to service loans for Fannie Mae or FHLMC, must be a member in good standing of MERS and, must be acceptable to the Controlling Insurer in consultations with the other Insurer, so long as no Insurer Default has occurred and is continuing with respect to such other Insurer;
- (iii) Such successor servicer must satisfy the seller/servicer eligibility standards in this Agreement, exclusive of any experience in mortgage loan origination;
- (iv) Such successor servicer must execute and deliver to the Indenture Trustee an agreement, in form and substance reasonably satisfactory to the Indenture Trustee and the Controlling Insurer that contains an assumption by such successor servicer of the due and punctual performance and observance of each covenant and condition to be performed and observed by the Servicer under this Agreement;
- (v) There must be delivered to the Indenture Trustee and each Insurer (so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to any Insurer) a letter from each Rating Agency to the effect that such transfer of servicing will not result in a qualification, withdrawal or downgrade of the then-current rating of any of the Notes without taking into account the Class Ax Policy or the Class Ac Policy; and
- (vi) The Seller shall, at its cost and expense, take such steps, or cause the terminated Servicer to take such steps, as may be necessary or appropriate to effectuate and evidence the transfer of the servicing of the Loans to such successor servicer, including, but not limited to, the following: (A) to the extent required by the terms of the Loans and by applicable federal and state laws and regulations, the Seller shall cause the prior Servicer to timely mail to each obligor under a Loan any required notices or disclosures describing the transfer of servicing of the Loans to the successor servicer; (B) prior to the effective date of such transfer of servicing, the Seller shall cause the prior Servicer to transmit to any related insurer notification of such transfer of servicing; (C) on or prior to the effective date of such transfer of servicing, the Seller shall cause the prior Servicer to deliver to the successor servicer all Loan Documents and any related records or materials; (D) on or prior to the effective date of such transfer of servicing, the Seller shall cause the prior Servicer to transfer to the successor servicer, all funds held by the prior Servicer in respect of the Loans; (E) on or prior to the effective date of such transfer of servicing, the Seller shall cause the prior Servicer to, after the

effective date of the transfer of servicing to the successor servicer, continue to forward to such successor servicer, within one Business Day of receipt, the amount of any payments or other recoveries received by the prior Servicer, and to notify the successor servicer of the source and proper application of each such payment or recovery; and (F) the Seller shall cause the prior Servicer to, after the effective date of transfer of servicing to the successor servicer, continue to cooperate with the successor servicer to facilitate such transfer in such manner and to such extent as the successor servicer may reasonably request. Notwithstanding the foregoing, the prior Servicer shall be obligated to perform the items listed above to the extent provided in this Agreement.

All such investments must be payable on demand or mature no later than one Business Day prior to the next Payment Date, and shall not be sold or disposed of prior to their maturity. (k) Each of the Depositor and the Issuer agrees to take or cause to be taken such further actions, to execute, deliver and file or cause to be executed, delivered and filed such further documents and instruments (including, without limitation, any financing statements under the UCC or this Agreement) as may be necessary to perfect the interests created by this Section 5.08 in favor of the Issuer and the Indenture Trustee and otherwise fully to effectuate the purposes, terms and conditions of this Section 5.08. The Depositor shall:

(v) promptly execute, deliver and file any financing statements, amendments, continuation statements, assignments, certificates and other documents with respect to such interests and perform all such other acts as may be necessary in order to perfect or to maintain the perfection of the Issuer's and the Indenture Trustee's security interest in the Trust Account Property; and

(vi) make the necessary filings of financing statements or amendments thereto within five days after the occurrence of any of the following: (1) any change in its corporate name or any trade name or its jurisdiction of organization; (2) any change in the location of its chief executive office or principal place of business; and (3) any merger or consolidation or other change in its identity or corporate structure and promptly notify the Issuer and the Indenture Trustee of any such filings.

(vii) Neither the Depositor nor the Issuer shall organize under the law of any jurisdiction other than the State under which each is organized as of the Closing Date (whether changing its jurisdiction of organization or organizing under an additional jurisdiction) without giving 30 days prior written notice of such action to its immediate and mediate transferee, including the Indenture Trustee and the Insurers (so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer). Before effecting such change, each of the Depositor or the Issuer proposing to change its jurisdiction of organization shall prepare and file in the appropriate filing office any financing statements or other statements necessary to continue the perfection of the interests of its immediate and mediate transferees, including the Indenture Trustee, in the Trust Account Property. In connection with the transactions contemplated by the Operative Agreements relating to the Trust Account Property, each of the Depositor and the Issuer authorizes its immediate or mediate transferee, including the Indenture Trustee, to file in any filing office any initial financing statements, any amendments to financing statements, any continuation statements, or any other statements or filings described in this Section 5.08.

None of the Securities Intermediary or any director, officer, employee or agent of the Securities Intermediary shall be under any liability to the Indenture Trustee or the Securityholders for any action taken, or not taken, in good faith pursuant to this Agreement, or for errors in judgment; *provided, however*, that this provision shall not protect the Securities Intermediary against any liability to the Indenture Trustee or the Securityholders which would otherwise be imposed by reason of the Securities Intermediary's willful misconduct, bad faith or negligence in the performance of its obligations or duties hereunder. The Securities Intermediary and any director, officer, employee or agent of the Securities Intermediary may rely in good faith on any document of any kind which, prima facie, is properly executed and submitted by any Person respecting any matters arising hereunder. The Securities Intermediary shall be under no duty to inquire into or investigate the validity, accuracy or content of such document. The Issuer shall indemnify the Securities Intermediary for and hold it harmless against any loss, liability or expense arising out of or in connection with this Agreement and carrying out its duties hereunder, including the costs and expenses of defending itself against any claim of liability, except in those cases where the Securities Intermediary has been guilty of bad faith, negligence or willful misconduct. The foregoing indemnification shall survive any termination of this Agreement or the resignation or removal of the Securities Intermediary.

(viii) Any failure of the Servicer to remit to the Indenture Trustee any payment required to be made to the Indenture Trustee for the benefit of Noteholders and the Certificateholders or to the Insurers under the terms of this Agreement on any Servicer Remittance Date which failure continues unremedied for a period of two Business Days after the date upon which notice of such failure shall have been given to the Servicer by the Indenture Trustee or the Controlling Insurer.

If an Event of Servicer Termination described in clauses (i) through (vii) of this Section 6.01 shall occur, then, in each and every case, subject to applicable law, so long as any such Event of Servicer Termination shall not have been remedied within any period of time prescribed by this Section 6.01, the Indenture Trustee, by notice in writing to the Servicer may, with the consent of the Controlling Insurer (so long as the Controlling Insurer is the Controlling Party) and shall, if so directed by the Controlling Party, terminate all of the rights and obligations of the Servicer hereunder and in and to the Loans and the proceeds thereof. If an Event of Servicer Termination described in clause (ix) of this Section 6.01 shall occur, then, in each and every case, subject to applicable law, so long as such Event of Servicer Termination shall not have been remedied within the time period prescribed by clause (ix) of this Section 6.01, the Indenture Trustee with the consent of the Controlling Insurer, by notice in writing to the Servicer, shall promptly terminate all of the rights and obligations of the Servicer hereunder and in and to the Loans and the proceeds thereof. On or after the receipt by the Servicer of such written notice, all authority and power of the Servicer, and only in its capacity as Servicer under this Agreement, whether with respect to the Loans or otherwise, shall pass to and be vested in the Indenture Trustee pursuant to and under the terms of this Agreement; and the Indenture Trustee is hereby authorized and empowered to execute and deliver, on behalf of the defaulting Servicer as attorney-in-fact or otherwise, any and all documents and other instruments, and to do or accomplish all other acts or things necessary or appropriate to effect the purposes of such notice of termination, whether to complete the transfer and endorsement or assignment of the Loans and related documents or other wise. The defaulting Servicer agrees to cooperate with the Indenture Trustee in effecting the termination of the defaulting Servicer's responsibilities and rights hereunder as Servicer including, without limitation, providing the Indenture Trustee or its designee all documents and records in electronic or other form reasonably requested by it to enable the Indenture Trustee or its designee to assume the defaulting Servicer's functions hereunder and the transfer to the Indenture Trustee for administration by it of all amounts which shall at the time be or should have been deposited by the defaulting Servicer in the Collection Account maintained by such defaulting Servicer and any other account or fund maintained with respect to the Securities or thereafter received with respect to the Loans. The Servicer being terminated shall bear all costs of a servicing transfer, including but not limited to those of the Indenture Trustee reasonably allocable to specific employees and overhead, legal fees and expenses, accounting and financial consulting fees and expenses, and costs of amending the Agreement, if necessary.

The Indenture Trustee shall be entitled to be reimbursed by the Servicer (or by the Trust Estate, if the Servicer is unable to fulfill its obligations hereunder) for all costs associated with the transfer of servicing from the predecessor Servicer, including, without limitation, any costs or expenses associated with the complete transfer of all servicing data and the completion, correction or manipulation of such servicing data as may be required by the Indenture Trustee to correct any errors or insufficiencies in the servicing data or otherwise to enable the Indenture Trustee to service the Loans properly and effectively. If the terminated Servicer does not pay such reimbursement within thirty (30) days of its receipt of an invoice therefor, such reimbursement shall be an expense of the Trust Estate and the Indenture Trustee shall be entitled to withdraw such reimbursement from amounts on deposit in the Payment Account pursuant to Section 5.02(a) (without regard to any limitation on reimbursement of the Indenture Trustee set forth herein or in any other Operative Agreement); *provided* that the terminated Servicer shall reimburse the Trust Estate for any such expense incurred by the Trust Estate; and *provided, further*, that the Indenture Trustee (acting at the direction of the Controlling Insurer) shall decide whether and to what extent it is in the best interest of the Securityholders to pursue any remedy against any party obligated to make such reimbursement.

Notwithstanding the termination of its activities as Servicer, the terminated Servicer shall continue to be entitled to reimbursement to the extent provided in Article IV to the extent such reimbursement relates to the period prior to the Servicer's termination; provided, however, such right of reimbursement is net of any amounts owed by the terminated Servicer but paid from amounts on deposit in the Payment Account in accordance with the prior paragraph.

If any Event of Servicer Termination shall occur, of which a Responsible Officer of the Indenture Trustee has actual knowledge, the Indenture Trustee shall promptly notify the Insurers (so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer) and each Rating Agency of the nature and extent of such Event of Servicer Termination. The Indenture Trustee shall immediately give written notice to the Servicer upon the Servicer's failure to remit funds on the Servicer Remittance Date.

(b) On and after the time the Servicer receives a notice of termination from the Indenture Trustee pursuant to Section 6.01(a) or the Indenture Trustee receives the resignation of the Servicer evidenced by an Opinion of Counsel pursuant to Section 4.29, the Indenture Trustee, unless another servicer shall have been

appointed, shall be the successor in all respects to the Servicer in its capacity as such under this Agreement and the transactions set forth or provided for herein and shall have all the rights and powers and be subject to all the responsibilities, duties and liabilities relating thereto and arising thereafter placed on the Servicer hereunder, including the obligation to make Advances; *provided, however*, that any failure to perform such duties or responsibilities caused by the Servicer's failure to provide information required by this Agreement shall not be considered a default by the Indenture Trustee hereunder. In addition, the Indenture Trustee shall have no responsibility for any act or omission of the Servicer prior to the issuance of any notice of termination and shall have no liability relating to the representations and warranties of the Servicer set forth in Section 3.02. In the Indenture Trustee's capacity as such successor, the Indenture Trustee shall have the same limitations on liability herein granted to the Servicer. As compensation therefor, the Indenture Trustee shall be entitled to receive all compensation payable to the Servicer under this Agreement.

(c) Notwithstanding the above, the Indenture Trustee may, if it shall be unwilling to continue to so act, or shall, if it is unable to so act, appoint, or petition a court of competent jurisdiction to appoint, any established housing and home finance institution servicer, bank or mortgage servicing institution having a net worth of not less than \$15,000,000 and meeting such other standards for a successor servicer as are set forth in this Agreement, as the successor to such Servicer in the assumption of all of the responsibilities, duties or liabilities of the Servicer; *provided* that, any successor Servicer must be acceptable to the Controlling Insurer in consultation with the other Insurer, so long as no Insurer Default has occurred and is continuing with respect to such other Insurer. Such successor Servicer may be an Affiliate of the Indenture Trustee; *provided, however*, that, unless such Affiliate meets the net worth requirements and other standards set forth herein for a successor Servicer, the Indenture Trustee, in its individual capacity shall agree, at the time of such designation, to be and remain liable to the Issuer and the Indenture Trustee for such Affiliate's actions and omissions in performing its duties hereunder. In connection with such appointment and assumption, the Indenture Trustee may make such arrangements for the compensation of such successor out of payments on the Loans as it and such successor shall agree; *provided, however*, that no such compensation shall be in excess of that permitted to the Servicer hereunder. The Indenture Trustee and such successor shall take such actions, consistent with this Agreement, as shall be necessary to effectuate any such succession and may make other arrangements with respect to the servicing to be conducted hereunder which are not inconsistent herewith. The Servicer shall cooperate with the Indenture Trustee and any successor Servicer in effecting the termination of the Servicer's responsibilities and rights hereunder including, without limitation, providing the Indenture Trustee and successor servicer, as applicable, all documents and records in electronic or other form reasonably requested by it to enable it to assume the Servicer's functions hereunder and the transfer to the Indenture Trustee or such successor servicer, as applicable, all amounts or investment property which shall at the time be or should have been deposited by the Servicer in the Collection Account and any other account or fund maintained with respect to the Securities or thereafter be received with respect to the Loans. Neither the Indenture Trustee nor any other successor Servicer shall be deemed to be in default hereunder by reason of any failure to make, or any delay in making, any distribution hereunder or any portion thereof caused by (i) the failure of the Servicer to deliver, or any delay in delivering, cash, documents or records to it, (ii) the failure of the Servicer to cooperate as required by this Agreement, (iii) the failure of the Servicer to deliver the Loan data to the Indenture Trustee as required by this Agreement or (iv) restrictions imposed by any regulatory authority having jurisdiction over the Servicer.

Section 6.02 Additional Remedies of Indenture Trustee Upon Event of Servicer Termination. During the continuance of any Event of Servicer Termination, so long as such Event of Servicer Termination shall not have been remedied, the Indenture Trustee, in addition to the rights specified in Section 6.01, shall have the right, in its own name and as trustee of an express trust, to take all actions now or hereafter existing at law, in equity or by statute to enforce its rights and remedies and to protect the interests, and enforce the rights and remedies, of the Securityholders (including the institution and prosecution of all judicial, administrative and other proceedings and the filings of proofs of claim and debt in connection therewith) and the Insurers. Except as otherwise expressly provided in this Agreement, no remedy provided for by this Agreement shall be exclusive of any other remedy, and each and every remedy shall be cumulative and in addition to any other remedy, and no delay or omission to exercise any right or remedy shall impair any such right or remedy or shall be deemed to be a waiver of any Event of Servicer Termination.

Section 6.03 Waiver of Defaults. The Controlling Party may, on behalf of all Securityholders, waive any default or Event of Servicer Termination by the Servicer in the performance of its obligations hereunder, except that a default in the making of any required deposit to the Payment Account or the Certificate Account that would result in a failure of the Indenture Trustee to make any required payment of principal of or interest on the Securities may only be waived with the consent of 100% of the affected Securityholders. Upon any such waiver of a past default, such default shall cease to exist, and any Event of Servicer Termination arising therefrom shall be deemed to have been remedied for every purpose of this Agreement. No such waiver shall extend to any subsequent or other default or impair any right consequent thereon except to the extent expressly so waived.

Section 6.04 Notification to Holders. Upon termination of the Servicer or appointment of a successor to the Servicer, in each case as provided herein, the Indenture Trustee shall promptly mail notice thereof by first class mail to the Insurers (so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer) and the Securityholders at their respective addresses appearing on the Note Register. The Indenture Trustee shall also, within 45 days after the occurrence of any Event of Servicer Termination known to the Indenture Trustee, give written notice thereof to Securityholders, unless such Event of Servicer Termination shall have been cured or waived prior to the issuance of such notice and within such 45-day period.

Section 6.05 Directions by Securityholders and Duties of Indenture Trustee During Event of Servicer Termination. During the continuance of any Event of Servicer Termination, the Controlling Party may direct the time, method and place of conducting any proceeding for any remedy available to the Indenture Trustee, or exercising any trust or power conferred upon the Indenture Trustee, under this Agreement; *provided, however*, that the Indenture Trustee shall be under no obligation to pursue any such remedy, or to exercise any of the trusts or powers vested in it by this Agreement (including, without limitation, (i) the conducting or defending of any administrative action or litigation hereunder or in relation hereto and (ii) the terminating of the Servicer or any successor servicer from its rights and duties as servicer hereunder) at the request, order or direction of the Controlling Party, unless such Controlling Party shall have offered to the Indenture Trustee reasonable security or indemnity against the cost, expenses and liabilities which may be incurred therein or thereby; and, provided further, that, the Indenture Trustee shall have the right to decline to follow any such direction if the Indenture Trustee, in accordance with an Opinion of Counsel, determines that the action or proceeding so directed may not lawfully be taken or if the Indenture Trustee in good faith determines that the action or proceeding so directed would involve it in personal liability for which it is not indemnified to its satisfaction.

Section 6.06 Action Upon Certain Failures of the Servicer and Upon Event of Servicer Termination. In the event that a Responsible Officer of the Indenture Trustee shall have actual knowledge of any action or inaction of the Servicer that would become an Event of Servicer Termination upon the Servicer's failure to remedy the same after notice, the Indenture Trustee shall give notice thereof to the Servicer and, so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer, the Insurers.

(c) Each person (including their officers or directors) that signs any Form 10-K Certification shall be entitled to indemnification from the Trust Estate for any liability or expense incurred by it in connection with such certification, other than any liability or expense attributable to such Person's own bad faith, negligence or willful misconduct. The parties to this Agreement acknowledge that the performance by the Indenture Trustee of its duties under this Section 6.07(g) related to the timely preparation and filing of Form 8-K is contingent upon such parties strictly observing all applicable deadlines in the performance of their duties under this Section 6.07(g). The Indenture Trustee shall have no liability for any loss, expense, damage, claim arising out of or with respect to any failure to properly prepare and/or timely file such Form 8-K, where such failure results from the Indenture Trustee's inability or failure to obtain or receive, on a timely basis, any information from any other party hereto needed to prepare or file such Form 8-K, not resulting from its own negligence, bad faith or willful misconduct. The Indenture Trustee shall not be responsible (1) for the content of any of the information provided pursuant to clauses (g)(i)(A) – (J) above (unless such item is provided by and specific to the Indenture Trustee, in which case the Indenture Trustee will be responsible for the content of such information; *provided that* such information is not revised without the prior consent of the Indenture Trustee), (2) for determining what information is required to be filed on a Form 8-K in connection with the transactions contemplated by this Agreement (unless such information is specific to the Indenture Trustee, in which case the Indenture Trustee will be responsible for making such a determination, unless such information is not included in the final Form 8-K without the consent of the Indenture Trustee), (3) for reformatting any information so that it is able to be filed on EDGAR or (4) for any late filing of a Form 8-K in the event that it does not receive all information, data, signatures and exhibits required to be provided or filed on or prior to the second Business Day prior to the applicable filing deadline.

(h) Delisting; Amendments; Late Filings.

(i) Prior to January 30 of the first year in which the Indenture Trustee is able to do so under applicable law, unless otherwise directed by the Depositor in writing, the Indenture Trustee shall prepare and file a Form 15 relating to the automatic suspension of reporting in respect of the Trust Fund under the Exchange Act.

(ii) In the event that the Indenture Trustee becomes aware that it will be unable to timely file with the Commission all or any required portion of any Form 8-K, 10-D or 10-K required to be filed by this Agreement because required disclosure information was either not delivered to it or delivered to it after the delivery deadlines set forth in this Agreement or for any other reason, the Indenture Trustee will immediately notify the Depositor. In the case of Form 10-D and 10-K, the parties to this Agreement and the Servicer will cooperate to prepare and file a Form 12b-25 and a 10-D/A and 10-K/A as applicable, pursuant to Rule 12b-25 of the Exchange Act. In the case of Form 8-K, the Indenture Trustee will, upon receipt of all required Form 8-K Disclosure Information and upon the approval and direction of the Depositor, include such disclosure information on the next Form 10-D. In the event that any previously filed Form 8-K, 10-D or 10-K needs to be amended, the Indenture Trustee will notify the Depositor and the Servicer and such parties will cooperate to prepare any necessary 8-K/A, 10-D/A or 10-K/A. Any Form 15, Form 12b-25 or any amendment to Form 8-K, 10-D or 10-K shall be signed by a senior officer of the Exchange Act Signing Party. The parties to this Agreement acknowledge that the performance by the Indenture Trustee of its duties under this Section 6.07(h) related to the timely preparation and filing of Form 15, a Form 12b-25 or any amendment to Form 8-K, 10-D or 10-K is contingent upon each such party performing its duties under this Section. The Indenture Trustee shall have no liability for any loss, expense, damage, claim arising out of or with respect to any failure to properly prepare and/or timely file any such Form 15, Form 12b-25 or any amendments to Forms 8-K, 10-D or 10-K, where such failure results from the Indenture Trustee's inability or failure to obtain or receive, on a timely basis, any information from any other party hereto needed to prepare, arrange for execution or file such Form 15, Form 12b-25 or any amendments to Forms 8-K, 10-D or 10-K, not resulting from its own negligence, bad faith or willful misconduct.

(i) The Indenture Trustee, with the prior consent of the Depositor, may include in any Exchange Act report all relevant information, data, and exhibits as the Indenture Trustee may receive in connection with such report irrespective of any provision that may permit the exclusion of such material. For example, the Indenture Trustee, with the prior consent of the Depositor, may file all Assessments of Compliance, Attestation Reports and Compliance Statements timely received from any Item 1122 Responsible Party irrespective of any applicable minimum pool asset percentage requirement for disclosure related to such Item 1122 Responsible Party.

(j) Any party that signs any Exchange Act report that the Indenture Trustee is required to file shall provide to the Indenture Trustee prompt notice of the execution of such Exchange Act report along with the name and contact information for the person signing such report and shall promptly deliver to the Indenture Trustee the original executed signature page for such report. In addition, each of the parties agrees to provide to the Indenture Trustee such additional information related to such party as the Indenture Trustee may reasonably request, including evidence of the authorization of the person signing any certification or statement, financial information and reports, and such other information related to such party or its performance hereunder.

Section 6.08 Compliance with Regulation AB.

Each of the parties hereto acknowledges and agrees that the purpose of Sections 6.07 of this Agreement is to facilitate compliance by the Seller, the Servicer, the Depositor and the Indenture Trustee with the provisions of Regulation AB, as such may be amended or clarified from time to time. Therefore, each of the parties agrees that (a) the obligations of the parties hereunder shall be interpreted in such a manner as to accomplish compliance with Regulation AB, (b) the parties' obligations hereunder will be supplemented and modified as necessary to be consistent with any such amendments, interpretive advice or guidance from the Commission, convention or consensus among active participants in the asset-backed securities markets, or otherwise in respect of the requirements of Regulation AB and (c) the parties shall comply with reasonable requests made by the Seller, the Servicer, the Depositor or the Indenture Trustee for delivery of additional or different information, to the extent such information is available or reasonably attainable, as the Seller, the Servicer, the Depositor or the Indenture Trustee may determine in good faith is necessary to comply with the provisions of Regulation AB.

(a) On the Payment Date on or after which the aggregate Note Principal Amount (after giving effect to payments of principal on such Payment Date) declines to 10% or less of the Original Note Principal Amount of all Classes of Notes ("Optional Redemption Date"), the Servicer, acting at the direction of the holders of the Class L Certificates, may purchase from the Issuer all (but not fewer than all) of the Loans and all other property, with the consent of the applicable Insurer if such purchase will result in a draw on the Class Ax Policy or the Class Ac Policy or any Reimbursement Amounts are owing to the Insurers or will be owing to the Insurers as a result of such purchase, of the Issuer at a cash price equal to the Optional Redemption Price. The Servicer shall deliver written notice of its intention to exercise such option to the Issuer, the Insurers (if the Notes are Outstanding or any Reimbursement Amounts are due and owing to the Insurers), the Indenture Trustee and the Servicer not less than ten days prior to the applicable Payment Date.

In connection with such purchase, the Servicer shall remit to the Indenture Trustee all amounts then on deposit in the Collection Account in respect of the related Total Distribution Amount for deposit to the Payment Account, which deposit shall be deemed to have occurred immediately preceding such purchase. Promptly following any such purchase, the Indenture Trustee or the Custodian shall release the Mortgage Files to the purchaser of such Loans pursuant to this Section 8.02, or otherwise upon its order

Section 8.03 [Reserved].

Section 8.04 Certain Notices upon Final Payment. The Servicer or the Administrator, as applicable, shall give the Issuer, the Indenture Trustee, the Insurers (so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer), each Rating Agency, each Securityholder and the Depositor at least 30 days' prior written notice of the date on which the Issuer is expected to terminate in accordance with Section 8.01, or the date on which the Securities will be redeemed in accordance with Section 8.02. Not later than the fifth Business Day in the Due Period in which the final distribution in respect to the Securities is payable to the Securityholders, the Indenture Trustee shall mail to the Securityholders a notice specifying the procedures with respect to such final distribution. The Indenture Trustee shall give a copy of such notice to each Rating Agency and the Insurers (so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer) at the time such notice is given to Securityholders. Following the final distribution thereon, such Securities shall become void, no longer outstanding and no longer evidence any right or interest in the Loans, the Mortgage Files or any proceeds of the foregoing.

Section 8.05 Beneficiaries. This Agreement will inure to the benefit of and be binding upon the parties hereto, the Securityholders, and their respective successors and permitted assigns. In addition, each Insurer and its respective successors and assigns shall be third-party beneficiaries to the provisions of this Agreement, and shall be entitled to rely upon and directly to enforce the provisions of this Agreement as if a party hereto. No other Person will have any right or obligation hereunder.

ARTICLE IX

MISCELLANEOUS PROVISIONS

Section 9.01 Binding Nature of Agreement; Assignment. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns.

Section 9.02 Entire Agreement. This Agreement contains the entire agreement and understanding among the parties hereto with respect to the subject matter hereof, and supersedes all prior and contemporaneous agreements, understandings, inducements and conditions, express or implied, oral or written, of any nature whatsoever with respect to the subject matter hereof. The express terms hereof control and supersede any course of performance and/or usage of the trade inconsistent with any of the terms hereof.

Section 9.03 Amendment.

(a) This Agreement may be amended from time to time by the Depositor, the Issuer, the Servicer, the Indenture Trustee and the Holder of the Residual Certificates, without notice to or the consent of any of the Holders of the Notes but, so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer, with the consent of the Insurers, (i) to cure any ambiguity, (ii) to cause the provisions herein to conform to or be consistent with or in furtherance of the statements made with respect to the Securities, the Issuer or this Agreement in any Prospectus, or to correct or supplement any provision herein which may be inconsistent with any other provisions herein or in any other Operative Agreement, (iii) to make any other provisions with respect to matters or questions arising under this Agreement or (iv) to add, delete, or amend any provisions to the extent necessary or desirable to comply with any requirements imposed by the Code, ERISA and their related regulations. No such amendment effected pursuant to the preceding sentence shall, as evidenced by an Opinion of Counsel (which shall be an expense of the party requesting such amendment and shall not be an expense of the Trust), cause an Adverse REMIC Event, nor shall such amendment adversely affect in any material respect the interests of any Holder or the Insurers. Prior to entering into any amendment without the consent of Holders pursuant to this paragraph, the Indenture Trustee may require an Opinion of Counsel (at the expense of the party requesting such amendment) to the effect that such amendment is permitted under this paragraph. Any such amendment shall be deemed not to adversely affect in any material respect any Holder and the opinion to such effect will not be required to be given, if the Indenture Trustee receives written confirmation from each Rating Agency that such amendment will not cause such Rating Agency to reduce the then current rating assigned to the Notes without taking into account the Class Ax Policy or the Class Ac Policy.

(b) This Agreement may also be amended from time to time by the Depositor, the Issuer, the Servicer and the Indenture Trustee with the consent of the Holders of not less than 66-2/3% of the Note Principal Amount of the Notes, the Insurers (so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer) and of the Holders of not less than 66-2/3% of the Class Principal Balance of the Class L Certificates and the Class B Certificates for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Agreement or of modifying in any manner the rights of the Holders; *provided, however*, that no such amendment shall be made unless the Indenture Trustee receives an Opinion of Counsel (which shall be an expense of the party requesting such amendment and shall not be an expense of the Trust), to the effect that such amendment will not cause an Adverse REMIC Event; *provided, further*, that no such amendment may (i) reduce in any manner the amount of, or delay the timing of, payments which are required to be distributed on any Class of Securities, without the consent of the Holders of such Class or (ii) reduce the aforesaid percentages of Note Principal Amount of Notes or Class Principal Balance of Residual Certificates, the Holders of which are required to consent to any such amendment without the consent of the Holders of 100% of the Note Principal Amount of

the Notes and 100% of the Class Principal Balance of the Class B Certificates and the Class L Certificates affected thereby. For purposes of this paragraph, references to "Holder" or "Holders" shall be deemed to include, in the case of Book-Entry Notes, the related Note Owners.

Pg 45 of 56

(c) Promptly after the execution of any such amendment, the Indenture Trustee shall furnish written notification of the substance of such amendment to each Holder, the Insurers (so long as the Notes are Outstanding or any Reimbursement Amounts remain due and owing to an Insurer), the Depositor and to each Rating Agency.

(d) It shall not be necessary for the consent of Holders under this Section 9.03 to approve the particular form of any proposed amendment, but it shall be sufficient if such consent shall approve the substance thereof. The manner of obtaining such consents and of evidencing the authorization of the execution thereof by Holders shall be subject to such reasonable regulations as the Indenture Trustee may prescribe.

Section 9.04 Acts of Securityholders. Except as otherwise specifically provided herein, whenever Securityholder action, consent or approval is required under this Agreement, such action, consent or approval shall be deemed to have been taken or given on behalf of, and shall be binding upon, all Securityholders if the Majority Securityholders agree to take such action or give such consent or approval; *provided, however*, that any action, consent or approval required under this Agreement by the Securityholders will instead be taken or given by the Controlling Insurer.

Section 9.05 Recordation of Agreement. To the extent permitted by applicable law, this Agreement, or a memorandum thereof if permitted under applicable law, is subject to recordation in all appropriate public offices for real property records in all of the counties or other comparable jurisdictions in which any or all of the properties subject to the Mortgages are situated, and in any other appropriate public recording office or elsewhere, such recordation to be effected by the Depositor on direction and at the expense of Holders of not less than 66-2/3% of the Note Principal Amount of each Class of Notes and of the Holder of the Residual Certificates requesting such recordation, but only when accompanied by an Opinion of Counsel to the effect that such recordation materially and beneficially affects the interests of the Securityholders, or is necessary for the administration or servicing of the Loans.

Section 9.06 Governing Law. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NEW YORK, AND THE OBLIGATIONS, RIGHTS AND REMEDIES OF THE PARTIES HEREUNDER SHALL BE DETERMINED IN ACCORDANCE WITH SUCH LAWS WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES APPLIED IN NEW YORK.

Section 9.08 Severability of Provisions. If any one or more of the covenants, agreements, provisions or terms of this Agreement shall be for any reason whatsoever held invalid, then such covenants, agreements, provisions or terms shall be deemed severable from the remaining covenants, agreements, provisions or terms of this Agreement and shall in no way affect the validity or enforceability of the other provisions of this Agreement or of the Securities or the rights of the Holders thereof.

Section 9.09 Indulgences; No Waivers. Neither the failure nor any delay on the part of a party to exercise any right, remedy, power or privilege under this Agreement shall operate as a waiver thereof, nor shall any single or partial exercise of any right, remedy, power or privilege preclude any other or further exercise of the same or of any other right, remedy, power or privilege, nor shall any waiver of any right, remedy, power or privilege with respect to any occurrence be construed as a waiver of such right, remedy, power or privilege with respect to any other occurrence.
